

# MINERS CLAIM 435,820 ANSWER STRIKE CALL; DENIED BY OPERATORS

## TENS OF THOUSANDS NON-UNION WORKERS STILL ON JOB

Force of Walkout Will Not Be Felt Before Tomorrow as Saturday Is a Regular Holiday for Miners—100 per Cent Effective, Leaders Say

CHICAGO, Nov. 1.—Altho tonight found nearly all bituminous coal fields closed as a result of miners' strike effective Friday midnight, thousands of non-union miners were at work, and in scattered districts contracts still were in force, union miners reported today as usual. Figures compiled tonight and chiefly upon union leaders' claims, altho in many not conceded by the operators, showed that 435,820 were on strike.

Its physical aspect the strike apparently had largely ended production of soft coal, but with large non-union in Pennsylvania and West Virginia in particular, operating at somewhere near normal, and with a number of smaller fields also operating with union contracts, the actual effect upon production could not be fully stated.

Effect of Strike Not Yet Felt. The first day of the strike was "All Saints Day," also day, a virtual holiday in many mining regions, and all power of the United Mine Workers of America ordered the strike will not be fully gauged until lay.

Coal operators claimed thousands of non-union miners producing coal in the usual quantities altho conceded that in union fields the strike was effective. Union leaders reported in most instances that the strike virtually 100 per cent effective throughout the country. Altho the quartermaster general of the army ordered management of the O'Gara mine, near Springfield, Ill., to supply Camp Grant, a permanent army cantonment at Rockford, Ill., to continue operation, the miners refused to work.

The number of men reported on strike is considerably less of the 401,480 members in good standing in the union at the end of August, as reported to miners' national quarters in Indianapolis. Union leaders explained that at that time fully 15 per cent of the union men were in their dues and that since then many had been lapsed.

Utah Miners Still Work. In the western Ken-tucky union miners were tied up in Pennsylvania, West Virginia, Indiana and Iowa, as well as other important coal producing states, about half of Ken-tucky's 40,000 miners were still at work. In the western Kentucky field the miners and operators had reached an agreement, but the strike would not be affected by the strike. The unusual situation was that where the majority of the miners were reported still at work, resulting from conflicting instructions to the miners.

John H. McLennan, Utah representative of the union called off strike forty eight hours ago at same time announcing that he had received a telegram from L. Lewis, head of the organization that the strike was called. That was repudiated by Mr. Lewis. Then Mr. McLennan refused his order. Many miners evidently confused and today said that the miners at state generally were at work. Reports were to the effect that about 1,000 were at work.

Colorado the Colorado Fuel and Iron Company had five mines operating in one district, it was reported. But the company made no attempt to operate in the lead district.

North Dakota's 1,500 lignite miners remain at work with the exception of 120 who struck in the lignite field. An agent from L. Lewis, head of the organization, made it a point to take care of the mines and reach an agreement with the miners.

Reports from Southwest. Nearly 800 of the 4,800 soft coal miners of New Mexico were on strike according to today's reports. Coal operators in Oklahoma adding that the demand was coming in that state said their mines were in readiness for operation as ordered by the government.

Frank Farrington, Illinois district president who announced that the 90,000 miners of the state were idle, prepared plans to hold meeting of Illinois union officials. He said he had not yet served with the federal injunction restraining union leaders from issuing further oral or written instructions in regard to strike.

While a few of the larger mines Alabama were in operation, the operators did not deny that the union leaders that at 23,000 men or 90 per cent their membership had gone on strike.

## MINERS ON STRIKE BY STATES

Tonight's figures on the number of men out were as follows:

Alabama	23,000
Arkansas	4,000
Colorado	5,000
Illinois	90,000
Indiana	28,000
Iowa	14,000
Kansas	13,000
Kentucky	20,000
Maryland	4,000
Michigan	2,400
Missouri	9,000
Montana	4,000
New Mexico	800
North Dakota	120
Ohio	40,000
Oklahoma	10,500
Pennsylvania	87,000
Tennessee	10,000
Texas	4,000
Utah	1,000
Washington	6,000
West Virginia	42,000
Wyoming	8,000

## ALL COAL IN TRANSIT HELD BY RAILROADS

Order Issued Yesterday Takes Supplies from Dealers Control—Special Committees Decide About Distribution.

E. F. Mitchell, agent for the Burlington, F. H. Unzuaga, agent for the Wabash and D. C. Ditzel, agent for the Chicago & Alton, yesterday received instructions by wire to make no further delivery of coal to local dealers. The order was issued by the railroad administration on authority of the federal government, and stated specifically that all coal on railroad tracks which had not been delivered to dealers must be held for further instruction. The order does not necessarily mean that the dealers will not receive coal that has been consigned to them, but it does mean that this coal will be held until it is determined whether the need is greater or less at some other point.

The distribution of coal, it is understood, will be in the hands of special committees appointed by the fuel administration. These committees will be located at Chicago, St. Louis and other principal cities. There is still some coal in local railroad yards in the hands of the dealers and the distribution of coal will continue. According to priority list demands for railroads will be given first attention and domestic needs will hold second place. It is therefore very probable that any real needs in Jacksonville can be cared for unless the strike continues for a period of weeks. This is regarded as unlikely, since the whole force of the government is lined up solidly to prevent a long continuance of the strike.

That included the great Poca-hontas non-union field. A few thousand federal troops and state guardsmen either were on special duty in connection with the strike or were on the move or awaiting trainment orders to-night at the end of the first day of the walkout.

Altho the day passed without any disorder, army officers and state authorities in bituminous coal producing states were on the alert and the day's developments in a military way were: Movement of three companies of troops to Tennessee to reinforce 400 already there. Four hundred federal troops on duty in Charleston, W. Va., had no difficulty in preserving order when several hundred strikers marched into the city from the Cabin Creek district.

A battalion of the second infantry, four divisions, stationed at Camp Grant for Camp Sherman, Ohio, probably for duty in Ohio or Kentucky coal fields.

All thirty second infantry, regular army, at Camp Kearney, Calif., ordered to report at once, one company to be equipped with machine guns and be ready to depart at once, presumably in connection with the strike.

Federal troops at Fort D. A. Russell prepared to entrain tomorrow for northern Wyoming at request of Governor Carey.

Six hundred Alabama state troops ordered by Governor Kilby to mobilize for strike duty in case of emergency.

Four hundred Colorado State Guardsmen marched about streets of Trinidad where they arrived today to be held for any assignment found necessary.

At headquarters of the Central Department of the army which includes the great coal districts of Pennsylvania, West Virginia, Indiana, Kentucky, Ohio and Illinois it was said tonight new troop movements had been ordered.

No troops were ordered into the Walsenburg district of Colorado where the Colorado Fuel & Iron Company has several mine properties, as the sheriff warned that presence of troops might produce disturbances.

## UNION OFFICIALS REMAIN SILENT ON RESTRAINING ORDER

No Events of Importance Occur at Indianapolis Saturday.

INDIANAPOLIS, Ind., Nov. 1.—With officials of the United Mine Workers of America silent as a result of the restraining order issued yesterday in federal court to prevent their further activity as miners' strike leaders, there were no developments of consequence in Indianapolis today in connection with the walk-out of bituminous coal workers.

John L. Lewis, acting president of the mine workers tonight left for his home in Springfield, Ill., to spend Sunday with his family and other officials and members of the executive board left for their homes.

Hundreds of telegrams were received at mine headquarters today from bituminous coal fields of the country but due to the restraining order officials could not divulge their contents.

Henry Wartum, who has been engaged by the miners as counsel in connection with the injunction proceedings also declined to make any statement and aside from information that the constitutionality of the Lever act, under which the government case was brought, will be attacked, nothing is known of the probable line of defense to be adopted by the union leaders.

Strike in Illinois Complete. Springfield, Ill., Nov. 1.—Saturday the first day of the strike of soft coal miners, passed quietly in Illinois where approximately 90,000 mine workers are idle, according to Frank Farrington, president of the Illinois district.

"The strike order has been universally obeyed in this state," Farrington said tonight after receiving additional reports from southern Illinois fields where the bulk of the state's coal is mined.

"There were few developments in the course of the day. Among them was preparation for a meeting here Monday of members of the executive board of the Illinois district summoned by President Farrington before the restraining order of Judge Anderson was issued at Indianapolis. The meeting originally was for the purpose of perfecting state strike plans.

The call for the meeting it was understood, has not been rescinded. A new element in the strike was the acknowledgment by the management of the O'Gara mine near Springfield that an order had been received from the office of the quartermaster general of the United States army directing that the mine, which is engaged in furnishing coal for Camp Grant, Rockford, continue to fill its contracts. With the mine closed by the strike, the mine officials were confronted by a difficult problem.

John L. Lewis, acting president of the United Mine Workers of America was expected to reach his home here tonight or tomorrow for the week-end.

WARNING OF CITY HEALTH PHYSICIAN. Dr. King Reports Typhoid Fever on Increase—Urges Residents to Drink Only Boiled Water—One Case of Small Pox.

Another case of small box was reported in Jacksonville yesterday. The contagion in this instance can be traced directly to Rodhouse as the East Lafayette resident, who is ill at present, was employed at Rodhouse for a time.

Dr. A. M. King, City Health Physician, also reports that typhoid fever cases are on the increase in the city and urges all residents to boil their drinking water as a preventive measure against the spread of this dread disease. Dr. King stated yesterday that there were at the present time six or seven cases of typhoid fever now in Jacksonville.

## ARRANGE TRIP TO WESTERN STATE

Mr. and Mrs. Hillerby Will Go to California Soon.

Word has been received by Mrs. Charles Hopper that her brother and wife, Mr. and Mrs. Carl Hillerby, will start for California soon, and have arranged a two day stop over at Emporia, Kansas, to visit Mrs. E. T. Mendel, a sister of Mr. Hillerby. Mrs. Charles Hopper expects to start for Kansas tomorrow and will return on the following Friday.

The condition of Edith Hillerby who is in California and has been sick since the flu epidemic last winter is the immediate cause of the trip, but the daughter's condition is more encouraging than it has been. The many friends of the talented musician will hope for a speedy recovery for herself as well as for the father.

GERMAN FOOD PROFITERS ARRESTED. Coblenz, Friday, Nov. 1.—Twenty German food profiteers arrested by the Americans were deported today to the interior of Germany. They are classified as undesirable.

MEDICAL CLUB. The Medical club met Saturday night with Dr. W. P. Duncan at his home on East State street. Dr. Hardesty presented the discussion of influenza and a very interesting

## PERSHING GIVES FURTHER PLANS OF REORGANIZATION Tells Committee Too Much "Dead Timber" Now Exists

## UNIVERSAL TRAINING URGED

WASHINGTON, Nov. 1.—A volunteer force of officers and men who served in the great war so organized as to preserve war time designations of units, was proposed to the military committees of congress today by General Pershing as the basis of a permanent reserve to be maintained in future by universal service.

Until universal training got under way, he told the committee, divisions and smaller units now disbanded could be brought back into existence on paper, with enough volunteers from their former personnel to make up the skeleton of a continuing reserve system.

Later, he continued, men emerging from Universal training camps could be assigned to these reserve units in their home localities. He suggested that the men thus assigned be assembled for drill or maneuvers "once or twice during the period they are held for possible service after training, so they could not be actually into active service except in time of war."

The general said the problem of fitting in this plan with any continuance of the national guard as such, was a difficult one. He suggested that the governors might be given authority to call the reserves into service in local emergencies, but preferred that their training and organizations be done by federal funds.

General Pershing also declared his preference for army promotions by selection rather than seniority, and recommended a single list for promotion. In that way, he said, much "dead timber" could be eliminated and existing inequalities between staff and line removed. The present promotion system, he characterized "as absurd."

## STEEL LEADERS PLAN DRASTIC ACTION

GARY, Ind., Nov. 1.—Drastic action is planned by leaders of the striking steel workers who today announced two important meetings of tomorrow and Monday. Plans will be outlined tomorrow at a meeting of the steel workers council with representatives of the railroad brotherhoods and of the railway department of the American Federation of Labor.

The leaders freely declared they planned to tie up Gary and other steel towns in this district by sympathetic strikes.

Charges that the steel companies have ordered hundreds of strikers to vacate their houses owned by the companies, were made by the union men and in connection with that situation the meeting was called for Monday.

## STEEL SECRETARY STILL OPTIMISTIC

PITTSBURGH, Pa., Nov. 1.—W. Z. Foster, secretary of the national steel strike committee told the Pennsylvania Federation of Labor today that the "steel strike is not lost, the steel mills throughout the country are tied up, and the bottom has fallen out of steel production."

It was the outstanding feature of the steel strike situation in the Pittsburgh district today for union leaders generally attended the convention and said there was no change in the situation. Mill operations had improved during the week, and more steel had been made than at any time since the strike was declared.

## EIGHT CENT FARE

ST. LOUIS, Mo., Nov. 1.—Eight cent cash street car fares became effective here today by authorization of the Missouri public service commission. The fare was six cents, until September 20, last, when it became seven cents. Under the 8 cent fare tickets can be purchased at the rate of seven for 50 cents and fifty for \$3.50.

## PRIZE D'ANNUNZIO

Piume, Nov. 1.—(By The Associated Press.)—At the first meeting of the National Council, recently elected, there were numerous speeches laudatory of Gabriele d'Annunzio, who was designated "liberator of our city" and of Italy's loyalty and firmness in demanding the annexation of Piume.

## REPORT CAPTURE OF LUGA

London, Nov. 1.—(By The Associated Press.)—The capture of Luga on the railway about 100 miles south of Petrograd is claimed by the Bolsheviks in a wireless message received here today. The message says street fighting is continuing in the town.

## ILLINOIS MAN ELECTROCUTED

Harrisburg, Ill., Nov. 1.—John Flister was instantly killed today at Carlin Mills, as a result of coming in contact with a high tension electric wire.

## EVIDENCE SHOWS U. S. WAS DEFRAUDED OUT OF MILLIONS

Laborers in Cantonments Spend Most of Time Gambling.

COLUMBUS, O., Nov. 1.—As-tounded by the mass of evidence tending to show that the government had been defrauded of thousands, if not several million dollars in the construction of Camp Sherman, Congressman Lewis C. McKenzie, Illinois, chairman of the sub-congressional committee which is investigating the camp construction declared tonight that he will introduce a bill in congress making it treason to defraud the government in time of war.

Congressman McCullough said he is certain the committee will furnish the department of justice ample evidence on which to base criminal prosecutions.

The committee concluded its hearings here this evening and will go to Camp Sherman Monday, where about thirty additional witnesses will be examined. It will go to Camp Grant, Illinois, Nov. 10, where a similar investigation will be conducted.

That fifty Chicago professional craps shooters obtained positions as plumbers at Camp Sherman and were paid regular plumbers' wages of \$8.25 per day who they spent all their time "rolling the bones," was testified to today by Ben M. Clark, Chillicothe, timekeeper for contractors building the Camp Sherman cantonment.

## PRIVATE DETECTIVE AGENCY RAIDED

CHICAGO, Nov. 1.—Acting on charges made by E. N. Noels, secretary of the Chicago Federation of Labor that the Sherman Service Co., Inc., a detective agency with offices in a number of large cities was fomenting radical antagonism and disturbances among striking and non-striking steel workers, fifty detectives from the state attorney's office today raided the agency's office. Several wagon loads of the agency's books, records and correspondence were seized and nearly 100 persons, chiefly operatives of the agency, were taken into custody.

The majority of them were released after interrogation. The state's attorney announced that discharge of the grand jury might investigate the case.

The Sherman service, whose local office declared it had been the victim of a "frame-up" is headed by John F. Sherman of Boston.

## MRS. MARY CARRIGAN FOUND DEAD IN CHAIR

Expires Suddenly Some Time Friday Night or Saturday Morning—Inquest This Morning.

Mrs. Mary Carrigan was found dead in a chair at her home, 321 Lorton street, early Saturday morning. Death is thought to have resulted from heart trouble as she had an attack about two weeks ago.

Friday evening about 10 o'clock the members of the family got ready to retire but Mrs. Carrigan said she would sew awhile. The rest of the family went up stairs. Saturday morning she was found dead in a chair by a member of the family.

Coroner Rose was notified of the death and will hold an inquest this morning.

Deceased before her marriage was Miss Mary Sweeney and was born in this city November 24, 1865. She is survived by her husband and three children, Joseph, Agnes and Marie Carrigan.

Funeral services will be held from the Church of Our Savior at 9 o'clock Monday morning with burial in Calvary cemetery.

## MARSHAL FIELD III NOW BROKERAGE CLERK

Chicago, Nov. 1.—Captain Marshal Field III, principal heir to the \$100,000,000 estate left by his grandfather, has become a clerk in a Chicago brokerage concern, it became known today.

"Just learning the financial game—that's all," he explained.

## GUILTY OF MURDER

Rock Island, Ill., Nov. 1.—Hale O'Reilly, aged 24, of Chicago, last night was found guilty here of the murder of the late Sheriff Jacob Wickers. The verdict carries with it a penalty of life imprisonment at Joliet. The murder occurred on the night of Dec. 30, 1918 in a gun fight.

## BANK CLEARINGS

New York, Nov. 1.—The actual condition of clearing house banks and trust companies for the week shows that they held \$46,547,740 reserve in excess of legal requirements. This is an increase of \$12,552,310 from last week.

## COMMANDER OF

## GOVERNMENT WILL KEEP CLOSELY IN TOUCH WITH COAL STRIKE SITUATION

Instructions Sent by Attorney General Palmer to Attorneys All Over the United States—Ames Returns to Capital

WASHINGTON, Nov. 1.—Instructions were issued today by Attorney General Palmer to all United States attorneys to keep closely in touch with the situation in their districts and report promptly any concerted action "by any two or more persons" to limit facilities for transporting, producing, supplying, storing or dealing in coal or to exact excessive prices.

While no official explanation of the order was available, one purpose aimed at was understood to be to prevent radical agitators among the idle coal miners from obtaining a leadership. It was made public tonight following the return to Washington of C. B. Ames, assistant to Mr. Palmer, who procured for the government the injunction in the coal strike.

## GERMANY MUST MAKE GOOD ALL VIOLATIONS OF THE ARMISTICE

Demand Decided Upon by the Supreme Council Saturday.

PARIS, Nov. 1.—(By The Associated Press.)—Demand will be made of Germany that all violations of the armistice shall be made good. This has been decided upon by the supreme council which has completed the protocol to the German treaty.

The protocol provides that Germany shall surrender cruisers and destroyers to replace those sunk at Scapa Flow and also surrender floating drydocks, lighters, cranes, tugs and other naval equipment equal in value to that of the first class battleships destroyed, which Germany cannot replace.

There is no provision in the protocol as to how the warships and naval supplies shall be divided among the allied and associated powers. Germany has been asked to send a commission to Paris to sign the protocol and attend the formal ratification of the treaty.

The supreme council has completed its reply to the Bulgarian request for changes in the peace treaty and will probably submit it to the Bulgarian representatives tomorrow granting ten days for the signature.

## OBSERVE FIFTIETH WEDDING ANNIVERSARY

Mr. and Mrs. James H. Campbell Hold Receptions in Recognition of Noteworthy Occasion—Receive Many Gifts.

The pleasant country home of Mr. and Mrs. James H. Campbell, eight miles west of Jacksonville, was the scene of an occasion of more than usual note yesterday when the fiftieth wedding anniversary of Mr. and Mrs. Campbell was observed. The date was also Mrs. Campbell's birthday, so that in reality she had double cause for celebration.

The home was attractively decorated in gold and white, with huge yellow chrysanthemums and roses. Mr. and Mrs. Campbell were the recipients of a number of gifts from their many friends throughout the vicinity and county. Especially numerous were the beautiful flowers, several dozens of chrysanthemums and roses being received during the day.

There were a large number of guests who visited the Campbell home yesterday, and afternoon and an evening reception being held. The afternoon reception was held from 2:30 to 5 o'clock, while in the evening Mr. and Mrs. Campbell received their friends from 7 until 10 o'clock.

The date of the wedding fifty years ago took place on Nov. 2nd, but the event was celebrated this year on Saturday instead of today.

## DR. GARM NORBURY TO OPEN OFFICE

Dr. Frank Garm Norbury has opened an office in the Ayers National Bank building, suite 409, for the practice of medicine. Office hours will be maintained from 1 to 3:30 o'clock p. m. Dr. Norbury will continue his work as associate physician at the Norbury sanatorium.

## TWENTY BODIES RECOVERED

The miners' strike now looks like a contest between the government and the miners' organization. That is a powerful organization but when it gets to matching strength with the government somehow we can keep from betting on Uncle Sam.

To an onlooker the most vital thing about the court injunction issued against the miners union officials is that it ties up the \$15,000,000 fund in the union treasury. For the present at least no money can be paid out of this fund to the strikers. A big strike without funds is about like trying to operate an army without rations.

Gen. Pershing as a witness before the military affairs committee gave decided opinions as to what should be the policy of the government with reference to military training and to the size of the standing army. Attention will no doubt be given to Gen. Pershing's recommendations because he speaks from an abundant experience and not from mere theory or opinion.

## MANY CITIES SHOW DEFICITS

Federal statistics show that most American cities are so inefficient and extravagant in their management that were it not for taxes derived from earnings of privately owned public service enterprises, they would be bankrupt or taxes made so high that few citizens would attempt investment of money for improvements. Of 227 cities having more than 30,000 inhabitants, the excess of expenditures over revenues in 1917, according to the figures, amounted to \$142 per capita. The net indebtedness of these cities averaged \$77.53 per capita. Municipal deficits are made up thru increasing the rate of taxation.

## A COMPLIMENT FOR ILLINOIS

It is certainly to credit to Illinois and the administration of

Gov. Lowden that the new administrative code of this state is to be taken as a model in New York state. A committee on retrenchment and reorganization was named by the New York legislature some months ago and the preliminary report of this committee makes the recommendation indicated above.

The committee recommends the Illinois code after having studied the methods of a number of states and has designated "the Illinois administrative code as the best system of administration and for reorganization for business efficiency."

**VOTE FOR MR. WHEELER**  
When you go to the polls next Tuesday give George Wheeler due consideration in casting your vote for county commissioner. Mr. Wheeler is a staunch Republican but it is not solely on that basis that he seeks the support of Morgan county voters. He has spent his entire life in this county, has for years engaged in farming and is generally familiar with county needs and conditions.

## FAVORS PROFIT-SHARING AND DEMOCRACY IN INDUSTRY

That employees should share in the profits of industrial undertakings and be given an active part in the management in connection with all problems affecting their welfare, is the opinion of eighty-five per cent of the members of the National Council of the National Economic League as expressed in a recent vote on twelve questions concerning the labor problems of the United States.

The incorporation of trade unions, the maintenance of the open shop, and equal opportunities for women in industry with equal pay for similar work and efficiency were also favored by the same high percentage.

## THE INITIATIVE AND REFERENDUM

Every citizen who has the best interests of the community at heart will vote "NO" on the public policy propositions which will be on the ballot at the election next Tuesday. A failure to vote "NO" will count the same as a vote in favor of the propositions. There are many reasons for this position, but I have space to present only two or three of them: First—The Initiative and Referendum are skillfully planned

devices by which an organized minority can control the unorganized majority. For this reason the United Societies, labor unions, or any other well-organized interests can get out more votes at an election than the unorganized part of the community can, and thus the minority rules. A small minority can require a vote to make a given proposition a law, or prevent a law from going into effect, and only the votes cast for or against the proposition are counted. In this way, many obnoxious measures have been carried in various States when the total vote cast upon the subject was only 20, 25 or 30 per cent of the voting population.

Second—Among the measures which the United Societies and their friends hope to carry through the Initiative and Referendum is the repeal of the local option or prohibition laws in Illinois.

Third—The single tax people are working under cover of the Initiative and Referendum, and if their plan is embodied in the Constitution of this State, they expect to be able to put the single tax plan into effect, whereby all real estate, such as farms and houses, would be practically confiscated through a process of taxation. They propose to place all taxes upon real estate, and if their measure goes into effect, the present owners of real estate will pay all the taxes for the benefit of those who own no real estate.

Many other reasons might be stated for opposing the adoption of the Initiative and Referendum, but the above should be sufficient for most of the people who live in Morgan county.

Thos. Worthington.

### Prophecy.

The prophets afflicting are always predicting that evils are coming to pass; the oil we are pumping is billed for a slumping, and soon we won't have any gas. The prophets are waiting that coal mines are failing and soon we'll have nothing to burn; we'll sit up and shiver from wishbone to liver, and wish that old times might return. Our lands are exhausted and husbandry is frosted, and soon we'll have nothing to eat; there's not enough leather to make a good tether, and there'll be no shoes for our feet. The sheep are not bearing the wool for our wearing, and well have no rags for our backs; it's no world for hoosters; our hens are all roosters, our milk cows won't get down to tacks. The gods are against us, they've herded and fenced us preparing to hand us a jolt; the future's alarming, so let us be arming, for anarchy is not revolt. And yet we're so silly we heed not the chilly and ominous words of the seers; we're joking and playing while doing our hay-ning, and yipping and wagging our ears. The talk of disaster, it seems, cannot master the natural nap of the soul; we ought to be dropping but gayly we're whooping while laying in cordwood and coal.

## WAVERLY WON FROM VIRDEN

Waverly High defeated Virden High at Virden Saturday afternoon by a score of 21 to 0. The game was hard fought thruout, Waverly winning thru a superior knowledge of football. Coach Harmon of Illinois college was the referee.

The Ladies' Aid of Christian church of Woodson will have a burgoo soup Tuesday, Nov. 4. Ready at noon. Everybody welcome.

Miss Inez Huckleby returned home from Sikeston, Mo., where she is teaching a music class and playing the pipe organ for the M. E. church. She will return in a few days.

## BROOKLYN PLANS FOR WIN MY CHUM WEEK

Epworth League of Brooklyn Church to Observe Win My Chum Week Nov. 7 to Nov. 16. All Day Meeting Next Friday.

The Epworth League of Brooklyn M. E. church is planning for the "Win My Chum Week" which is to be observed in a nation-wide way Nov. 7 to Nov. 16. In preparation for this special campaign the young people of the Brooklyn church league are to conduct a study class under the direction of the Pastor, G. W. Randle. This study class is to prepare the members for the work of the special drive.

On next Friday it is the intention to hold an all day "retreat" at the church, this being also preliminary to the "Win My Chum Week" campaign. Services will be held at 10 o'clock Friday morning, again at 3 o'clock p. m., and at 7 o'clock in the evening.

## ILLINOIS COLLEGE NOTES

President Rammelkamp was in Chicago last week attending the meeting of the Presbyterian Synod at Oak Park and making preliminary plans for the financial campaign which it is hoped will greatly increase the endowment of the College and provide a new library building on the campus. He made a brief address at the meeting of the Synod on the College and later in the week met a number of the prominent alumni of the College at a luncheon at the University Club. Last Tuesday the president was in Quincy attending the Rotary Convention. While there he also met a number of the alumni of the College and steps were taken to start the organization of an Illinois College club in Quincy. A preliminary meeting of the Quincy alumni will probably be held in the near future.

Professor J. G. Ames still does some work for the Thrift Movement. He spoke to a large gathering of teachers at the Madison County Institute, at Alton, and to a similar gathering at a Cass County Institute in Virginia during the past week.

Mrs. John E. Dwight, who died recently in the East, was the founder of the Joseph A. King scholarship in Illinois College.

Word was received recently in Jacksonville announcing the marriage of Dr. Henry W. Kirby, '97 and Wilhelmina Coultas. Both young people are very well known in College circles. Dr. Kirby is president of this year of the Chicago Alumni Society. Mr. Coultas was for a number of years instructor in the art department of the College. Dr. and Mrs. Kirby will reside at 1464 Collum avenue, Chicago.

Julia Huff, '16, is teaching in Madison, South Dakota.

Major D. A. K. Steele, formerly dean of the College of Physicians and Surgeons, was a visitor recently at the home of Professor and Mrs. G. W. Scott. Major Steele is an uncle of Mrs. Scott. Mrs. Cole of Rantoul, mother of Mrs. Scott, has also recently been visiting in Jacksonville.

Dr. Emmett W. McBratney, 97, of St. Louis, was a recent visitor on the campus.

William Davenport, '85, is registrar and associate professor of education at the University of Louisville, Kentucky.

A group of students and a couple of faculty members, invited by the students themselves, recently held an informal conference to consider the matter of hazing.

Professor Erwin Escher, of the Modern Languages Department, gave a very interesting address on "Life in Foreign Universities" at the chapel exercises Tuesday morning.

Miss Mattie Reische, '22, will lead the meeting of the Y. W. C. A. next Monday afternoon. Mrs. Woolston, of the School for the Blind, will also give a vocational talk.

The regular devotional meeting at Academy Hall Sunday evening will be led by John Martin, '20. The subject of the meeting will be "The Thief - Procrastination."

**MRS. NICHOLS HOME**  
Mrs. S. W. Nichols arrived home last evening from a visit of three weeks with her daughter, Mrs. W. H. P. Huber, at Elgin. Miss Frances English is still there and expects to remain a while longer. The new baby is doing finely.

## SUCCESSFUL HOG SALE HELD SATURDAY

E. L. Sweet and Son of Franklin Sell Thoroughbred Durocs at Woods' Livery Barn Yesterday—Large Crowd Attends Auction.

The public sale of thoroughbred Duroc hogs held by E. L. Sweet and Son at Woods' Livery Barn in Franklin Saturday proved quite an attraction for a large number of farmers and the auction was well attended.

This was Sweet and Son's first hog sale and was a distinct success, the proceeds totalling \$1,965. The bidding was spirited and most of the hogs offered brought satisfactory prices. Mr. Sweet resides four miles north of Franklin and is well known as a raiser of good hogs and as a reliable business man, so that for these reasons the success of his initial venture in the hog sale business is not to be attributed to mere luck or good fortune, but rather to his reputation as a stock man. The auctioneers were F. A. Seymour and Hart. S. J. Camm acted as clerk. The ladies of the Christian church at Franklin served lunch at noon.

The following are the buyers and prices paid:  
Boars—Milford Rees, \$47.50; John Peters, \$50; Roy Brown, \$50.00; A. H. Deaver, \$47.50; W. A. Ryan, \$25; Nick Schirz, \$35.00; Samuel Burchett, \$25; George Cox, \$45; Harry Leadill, \$25; George Woods, \$32.50; Henry Brown, \$25; James Hayes, \$30; George Snyder, \$47.50; Fred Lewis, \$25; George Tribble, \$25; George Boulware, \$37.50; Kirby Brothers, \$25; Samuel Pfeil, \$22.50; G. Gilts—J. A. Watret, \$27.50; \$35; \$37.50; \$37.50; \$40; and \$27.50; W. A. Ryan, \$40; \$37.50; \$27.50; \$27.50; and \$30; J. F. Drennan of Loami, \$25.00; \$40; \$37.50; S. J. Camm, \$27.50; E. E. Asplund, \$25; and \$30; George Boulware, \$37.50; and \$35; C. E. Criswell, \$30; Louis Boston, \$60; and \$42.50; Samuel Burchett, \$37.50; and \$30; Fred Lewis, \$37.50; Samuel Pfeil, \$35; and \$37.50.

## WOMAN'S CLUB PLANS SPRING CONCERT

Date is Set for April 15—Mrs. Barr Brown Chairman of Committee in Charge.

Announcement was made yesterday by the Woman's Club of the date of the annual concert which will be April 15. This concert has become one of the musical events of Jacksonville and is looked forward to with great pleasure by music lovers.

The Middleton concert of last year sponsored by the Woman's club was a splendid success and delighted a magnificent audience. This year Mrs. Barr Brown is chairman of the committee to arrange for the program. Her reputation in the musical world assures Jacksonville people of a concert that will rank with any ever heard locally.

Mrs. Brown has already completed plans and announces that Vera Pappé, famous English cellist and Mae Graves Atkins, soprano, will appear in joint concert of Thursday evening, April 15, at Northminster church. This will be one of the most important social as well as musical events of the coming season.

The Woman's club with its large membership and its active participation in all community affairs is a most important factor in the life of Jacksonville and is to be congratulated in securing the splendid number for its program.

The Clio Circle of Literary Christian church will hold their annual Cafeteria Supper at the church next Thursday evening, Nov. 6.

**VISITING PARENTS**  
J. W. Corrington, student at the state university, has been enjoying a visit with his parents, Mr. and Mrs. Clifton Corrington on South Main street and expected to return to Urbana today.

## SECTION MEN STRIKE AT WHITE HALL

Men Refused to Work at Task Allocated Them by Foreman—Other White Hall News.

White Hall, Nov. 1—Eight men employed on the local section force of the C. & A. quit work shortly after beginning the work of the day, and have agreed to not work until an understanding with the foreman, C. G. James, is effected whereby the men will receive greater consideration. The ground was wet and the atmosphere almost freezing when the gang went to work this morning and they were assigned to pulling weeds. The men were not prepared for the unexpected cold weather, and requested a line of work more suited to the weather, whereupon the foreman told his men to either go ahead as he orders or quit. The whole gang quit.

The observance of Hallowe'en was interrupted very largely by the vigilance of the police force, and the boys accomplished comparatively little damage. The annual Hallowe'en dinner at the M. E. church netted seventy dollars.

The disappearance of E. E. Meredith, owner of Gregory ranch, remains unsolved, but daily rumors have it that developments may be expected at any time. The wide publicity has confused the ranch with Gregory Farm, and the institutions have no connection whatever, except in name. Gregory Farm is the famous breeding and general farm establishment located adjoining the south limits of the city. Gregory ranch lies along Apple Creek mostly southeast of White Hall about nine miles, and comprises about 2,200 acres. Expert detectives are employed on the case continuously, but no trace of the missing man has been found later than September 27th, when he was last seen alive here. The sum of \$17,000 is on deposit in a Beardstown bank to his credit, since shortly before the disappearance, and this fund is said to remain intact. Mr. Meredith is reputed to be worth more than \$350,000.

## Send A. D. Stevens to the Constitutional Convention

The election of members of the Constitutional Convention should not be a matter of merely party lines. It is the duty of every voter to go to the polls next Tuesday and select the men best qualified to consider constitutional questions.

A. D. Stevens, city attorney of Springfield, is a candidate for member of that convention and is well and favorably known to many voters in Jacksonville and Morgan county. He represented the people in the Jacksonville rate case and has appeared for the farming and grain interests in hearings to put in effect better rates for grain shipments. Mr. Stevens has represented more than 100 municipalities before the Illinois State Public Utilities Commission, always appearing in behalf of the people. He is an able lawyer and a high class citizen.

Without regard to their political affiliations, men in this city and county with whom he has been associated in matters pertaining to the public welfare believe thoroughly in his ability and integrity. These local citizens who know Mr. Stevens well request that you give him your support in the election Tuesday.

### Social Events

#### Box Social at North Oakland School.

A box social and masquerade was held at North Oakland school Friday evening, October 31. Prizes were won by Orville Moss and Miss Stella Bourne. J. R. Burmeister acted as auctioneer and W. A. Bridgman as clerk, and \$14.45 was cleared. The school is taught by Miss Marian Holkenbrink.

#### Miss Hazel James Celebrates Birthday.

Miss Hazel M. James celebrated her 20th birthday anniversary at her home on the Sandusky road Saturday evening. Music, games and other amusements featured the evening and prizes were awarded to Miss Beatrice Standley, Miss Leta Stillwell, Harold Cully and George Houston. Miss James received a number of beautiful gifts. During the evening dainty refreshments were served.

#### Woodson Club Held Masquerade Party.

The Household Science club of Woodson held a masquerade party Friday evening at the home of Mr. and Mrs. Chester Colton. There were sixty members and guests present and all enjoyed the evening greatly. Mrs. Emma Taylor won the prize for the best costumed lady and Harry Trotter that for the best costumed man. Various amusements in keeping with the Halloween time were enjoyed and during the evening dainty refreshments were served.

#### Halloween Party at Illinois Woman's College.

Members of the special class at Illinois Woman's college gave a Halloween party in the college gymnasium Saturday night. The affair was given for the student body and there was a large attendance. The company were all masked and there were elaborate costumes. After the unmasking a program of musical numbers and readings and some stunts were given. Refreshments followed. The gymnasium was decorated in keeping with the Halloween season.

#### Elite Club Dance Well Attended.

Ninety couples were present at the Elite Club dance in Degan's hall Saturday evening. Excellent music was furnished by Labby's Jazz band. It was announced that a big dance will be given in Knights of Columbus hall Monday evening, November 10, the program to run from 8 o'clock in the evening until 3 o'clock the following morning. In the early part of the evening there will be the confetti, serpentine role and other fancy dances with a grand march at 11 o'clock which will start the regular dance program.

#### Mothers and Friends Association Had Halloween Party.

One of the most pleasant Halloween events was that given for members of the Mothers and Friends association, together with their husbands, Friday evening at the home of Mr. and Mrs. F. C. Benson on South Mauvasterre street. The guests to the number of forty went to the Benson home in Halloween costume and took the host and hostess completely by surprise. After the members of the party had unmasked all entered heartily into the occasion and enjoyed the evening to the full. Dancing was a special feature of the evening, music for this being furnished on the Victrola. Various games in keeping with the season were enjoyed and delicious refreshments were served.

#### Walnut Club Entertained.

Mr. and Mrs. Roy Baum of Woodson entertained for Halloween. An oyster supper was served together with all the dainties appropriate for Halloween.

The house decorations being carried out in a very appropriate way.

The evening was spent in fun with the Halloween spirit. Prizes were won by Mrs. John Casey, Mr. Doc Butler and Mrs. Doc Butler.

The invited guests were Mr. and Mrs. Ollie Meyers and children.

dren William and Eugene, Mr. and Mrs. Robert Smith and little daughter Ruth, Mr. and Mrs. Hugh Voorhees and little son Hugh, Mr. and Mrs. John Casey, Mr. and Mrs. Doc Butler and daughters Twyla and Bernice. In every way it was a very successful Halloween.

#### Woman's Club of the U. C. T. Entertained Saturday Night.

The Woman's club of the United Travelers entertained U. C. T. and their families at the home of Mr. and Mrs. L. R. Craig Saturday night. They came enmasque. Each was given a number upon entering. After the grand march the prize for guessing the greatest number of the guests was awarded to Byron Craig. Mr. Louis Cain and friend were awarded the prize for the best costume. After the guests had unmasked the remainder of the evening was spent in dancing. Miss Helen Sorrells gave some piano numbers and Byron Craig several violin numbers which were greatly enjoyed. Refreshments were served. The Craig home was tastefully decorated in keeping with Halloween. The committee in charge was composed of Mrs. Gerald Taylor, chairman, Mrs. Leonard Acree, Mrs. Jack Coe and Mrs. C. K. Moore.

#### Parent-Teachers Association Entertains.

The Parent-Teachers association of the second ward, Lafayette school, gave a Halloween party to the members of the association on Thursday afternoon. The officers and teachers were hostesses. After the regular business meeting a delightful musical program was given by Mrs. Canatsey, Group of Songs accompanied by Mrs. Fletcher Blackburn.

Violin solo—Harlan Moses.

A beautiful war poem was read by Miss Janet Powell.

All passed into the social room which was beautifully decorated with Halloween articles made by the children. The Paxton presided at the table when coffee, ice cream and cakes were served.

#### Masquerade at Illinois College Gymnasium.

Over one hundred and fifty students, former students, members of the faculty and friends of Illinois College attended the masquerade and Halloween party given at I. C. gymnasium Saturday evening. The masquerade, which was a decided success, was given by the Y. W. C. A. and the Y. M. C. A. organizations of the college. The gym was attractively and appropriately decorated in true Halloween style. All came masked and in various costumes, many of which were clever of design and make-up. One tall and ghostly looking shade, it is said, turned out to be the head of the institution. Games of different kinds made the evening one of pleasure. A solo dance was one of the features, Miss Virginia Bullard and Miss Mary Alexander dancing as Pierro and Pierrotte. The crystal gazer drew many patrons during the evening, and Miss Thomas in this role carried out the part admirably. Soon after the masquers assembled they were rather startled at the appearance of a number of young men attired in striped convict garb. They paraded about the room in lockstep. At a late hour refreshments were served. Miss Alice Bray was the chairman of the girls committee in charge of the affair, while Homer Thompson was chairman of the boys' committee.

### CHURCH FACILITIES WILL BE INCREASED

Plans of Congregationalists Made Known—Fund of \$32,000 Raised to Pay for Addition to Building and Equipment—Campaign Moved So Quietly That Few Outside the Church Knew of Project.

That was an important meeting of the people of the Congregational church held Saturday night. It was really a church gathering called for the purpose of announcing that a fund of \$32,000 had been raised to provide an addition to the church building and for its equipment. Rev. W. E. Collins presided and the report for the committee was made by the chairman, L. S. Doane. It was of course not a matter of surprise to the assembled company to know that the fund had been completed, but the report nevertheless was the occasion for great rejoicing and many of those present spoke in an informal way congratulating the members of the committee and the church as a whole.

#### Generous Response.

The Congregational people feel that the completion of this fund gives assurance that the church can enter upon a larger field of usefulness. It is seldom indeed that a church enterprise is put thru in such a quiet way, and the completion of the fund in a comparatively short time means that the members of the church have responded in a very generous way to the call.

At the annual meeting of the church held last December, it was decided to appoint a committee to inquire into the needs of church, with reference to Religious Education. The committee appointed consisted of L. S. Doane, H. M. Capps, B. W. Smith, Miss Fannie Wood, Mrs. F. J. Waddell, and Rev. W. E. Collins.

After several months of investigation and consultation with a Chicago architect, a definite plan was presented to the church. This report incorporated the specific needs of the church, better facilities for class room work in the Sunday school, permanent library for the Joshua Rhodes Memorial Library, a new steam heating equipment, the renovation of the present building, dining room facilities and rooms for clubs and group meetings. A careful estimate of the cost of this proposed scheme was \$32,000, a sum which seemed altogether too great an undertaking for the congregation. After careful consideration, it was decided the plans could not be changed materially without seriously impairing the usefulness of the proposed plans. It was then decided to attempt to attempt to raise the necessary fund with one condition, that not a spade full of gold would be turned until every dollar of the necessary amount was pledged and that all pledges must be secured on or before November first.

#### Every Dollar in Sight.

Without any large, stirring meetings, the committee went about its work, meeting with individuals and conducting a plan of education with the gratifying result that the committee was able to report last night that it had secured cash and pledges totalling more than \$32,000. The church is now therefore in a position to proceed with its construction with every dollar of its expected cost in hand or in dependable pledges.

The new part will be built on the north of the present building and its lines will be in complete harmony with the present building. The lecture room and parlors of the present building will be rearranged and will become a part of the new unit. When completed the equipment of the church will be entirely modern and will allow scope for the community work in which the church has been engaged. Although not the largest, the Congregational church of Jacksonville will be one of the best equipped churches in Illinois. Already the activities of the boys and girls and the young people fostered by the Congregational church are taxing the facilities of the church. And having faith to believe that there is a field for the work which the church is attempting in Jacksonville, the church is proceeding with these new plans.

#### Working in Union.

It is in every way remarkable that a church could do what this local church has done in entering such a scheme as this, without incurring any indebtedness. This speaks well for the unanimity with which the work is proceeding in the Congregational church. This evening, the second season of the Community Forum which attracted large audiences last winter, will commence. This is a means of solving many antagonisms and of bringing to the people, the practical applications of the gospel of Jesus Christ.

Next year will be the three hundredth anniversary of the landing of the Pilgrim Fathers at Plymouth and unconsciously the local Congregational church by this progressive movement will memorialize this great event in the history of America and Congregationalism.

### Funerals

Stevenson. Funeral services for Mrs. Elizabeth Stevenson were held from the residence of her sister, Miss Emma Reynolds, 1405 West College avenue at 2:30 o'clock Saturday afternoon in charge of the Rev. A. A. Todd, pastor of First Baptist church. The flowers were cared for by Mrs. Fred Hembrough, Mrs. James Wood, Mrs. J. T. Jefferson, Millersburg, Ky. Burial was in Diamond Grove cemetery, the bearers being James R. Rice, Clarence L. Rice, Everett G. Reynolds, Merle Reynolds, Edward J. Reynolds and Clark Stevenson.

#### ALEXANDER

Alexander, Nov. 1.—Miss Martha Mason gave a Halloween party and masquerade at her home in Alexander to a number of friends Friday evening. There were twenty-five or thirty present and the evening was most enjoyably spent with games and contests and music. Michael Wiegand, Jr., was awarded first prize for the best costume. Delicious refreshments were served at a late hour by the hostess.

Arthur Smith, Mrs. Michael Wiegand and J. B. Corington were numbered among the Alexander residents who spent Saturday shopping in Springfield.

Mrs. Charles Strawn, Mrs. E. J. Kumble, George Colwell and son John William, Mr. and Mrs. Samuel Ruble, Joseph Ryman and John Dunlap were visitors in Jacksonville Saturday.

## RED CROSS WORKERS TALK CAMPAIGN PLANS

State and County Chairmen Made Addresses—Local Solicitors Announced—Campaign Begins Here Tuesday.

A conference with reference to the Red Cross membership roll call was held at the Peacock Inn at noon yesterday. Members of the executive committee of the Morgan County Red Cross together with workers from a number of precincts were present. The conference was arranged by Earl M. Spink, county chairman in the membership drive. E. E. Crabtree, state chairman of the membership campaign; M. F. Dunlap, chairman of the Morgan County chapter, and H. M. Capps, who has been closely identified with a number of war time drives, spoke briefly and then came the informal conference of workers.

Mr. Spink has the machinery in motion in Jacksonville and most of the precincts of the county, and a general feeling prevails that there is not going to be much difficulty in completing this campaign with great success in the course of the eight days' drive.

The beneficent work of the Red Cross society is so well known that there hardly need be a statement to prove the excellence of the work done.

**State Wide Interest.** Mr. Crabtree said that in looking over the list of 102 counties of the state he had found some counties where there was lethargy and seeming lack of interest, however in each instance where there came an understanding of the need of the drive, that this lethargy had entirely disappeared. He explained that there is much more to the membership roll call than the mere securing of \$1 from each of the members for the Red Cross sees the need of "tying up" the interest of these thousands of members, scattered all over the U. S.

"Before the war time" Mr. Crabtree said, "The Red Cross society was supported by the contributions of possibly 20,000 men of means. Then when the war came and larger activities were undertaken and greater funds needed, the reorganization plan became effective. Whereas before the war comparatively few people realized the extent and importance of Red Cross activities, what the society stands for is now understood in every community, hamlet and city throughout the U. S."

**Work Increases.** "The various agencies for relief work during the time of the war have now turned all this work over to the Red Cross. There is vast work being carried on by the society in army hospitals and at army posts. The war has left an untold amount of suffering in countries of Europe which must be relieved, and the people in this suffering area naturally look to the U. S. for this help in the time of suffering, in the days of starvation."

"These problems that will come thru the reconstruction period must have Red Cross attention and then, the society holds itself in readiness for any great calamity, for any special condition which requires immediate aid."

"I have no doubt that the campaign here will show a very satisfactory return and that the people are genuinely interested in Red Cross activities."

Mr. Dunlap said that since he had become somewhat familiar with Red Cross work that he considered the Red Cross society as the greatest organization of the world. It embraces people of all nationalities, of all creeds and people are banded together for the alleviation of suffering, no matter where it may be found, and the basis of organization is such that money contributed for relief work goes into that work, as operation cost are provided for in other ways.

Mr. Dunlap emphasized the value of wide Red Cross membership as it brought people into close and intimate touch with Red Cross activities and gave them interest and understanding of the work which would not otherwise be true.

H. M. Capps spoke briefly of the

necessity of organization and said that the number of memberships depended upon the activity of workers. Because of the widespread interest in the Red Cross he believed there would be very little trouble in securing a large re-enrollment.

**Workers at Conference.** Among those present at the conference were: Mrs. Lillian King, chairman of the woman's committee for the city; Mrs. W. E. Day, captain of the First ward; Mrs. J. W. Clary and Mrs. Abe Wehl, Second ward; Mrs. M. D. Shanahan and Mrs. Charles McHatton, Third ward; Mrs. James H. Danskin and Miss Mary Wadsworth, Fourth ward; R. F. Thompson, chairman of the business section; Mrs. E. J. Kumble, Alexander, Mrs. W. E. Anderson and Mrs. Tucker, Chapin; Charles N. Wyatt, Franklin; Fred Schofield, Lynville; S. F. Sooy, Murrayville; Albert Crum, Litterberry; Dr. Miller, Woodson.

**The Local Campaign.** While the week beginning Nov. 2 has been officially selected for the roll call, the actual work in Jacksonville will not begin until Tuesday morning. There will be a meeting Monday night at 6 o'clock at the Christian church for all city workers. Supper will be served at 6 o'clock. Rev. W. E. Collins, who has been chairman of the home service branch of the Morgan County Red Cross Chapter, will give a statement about the work which has been done. Those familiar with the facts know how extensive and important this work has been. There will also be a number of other speakers.

**Announcement of city workers have been made as follows:** First Ward—Mrs. W. E. Day, captain; Mrs. F. M. Foley, Mrs. A. E. Peterson, Mrs. Fred Holte, Mrs. Thomas Gaitens, Mrs. Ned Seymour, Mrs. John Ferry, Mrs. John Meany; Misses Lillian Longergan, Kate Fanning, Margaret Gorman, Elizabeth Sloan, Margaret Sloan, Hulda Faugust, Nelle Faugust, Anna Hagerty, Lillian McCulloch, Margaret Strandberg, Esther Peterson, Mae Holman, Agnes Shields, Mayme Shields, Etta Hennessey, Margaret Burkery.

**JUST RECEIVED OUR WINTER EASTERN PATTERNS HATS, WHICH WILL BE ON SALE THIS WEEK AT HERMAN'S.**

**ANNOUNCEMENT** About Nov. 15th we expect to open up a strictly wholesale flour, feed and grain business. We are now erecting a commodious modern building upon the City Elevator lot on Lafayette Ave. where we can deliver excellent service to our trade. We expect to handle the celebrated Zephyr flour which is now so well known in the city and all the surrounding country. The manager, Chester A. McClelland, was for several years connected with the Bowersock mills who manufacture the celebrated Zephyr flour, as their distributor at Springfield. In 1915 he entered the grain business with C. R. Lewis, formerly of this city, and he is thoroughly acquainted with both the flour and grain business.

We expect to conduct a strictly cash business and will at all times deliver to our trade the very best of goods and service to be obtained.

(Signed) C. A. McCLELLAND & CO.

## COMMITTEEMEN NAMED FOR NEW DISTRICTS

Chairmen French and Higgins Name Men For New Districts Recently Made by County Board—Lists of New Committeemen Are Given.

Saturday Chairman French of the Republican County Central committee and Higgins of the Democratic County Central committee announced the committeemen selected for the new voting districts recently made by the Board of County Commissioners.

The Republican County Central committee held a meeting and authorized Chairman French to name the new committeemen. Chairman Higgins stated that no meeting of the Democratic Central Committee was held and that the appointments made by him are only temporary and made to meet the present emergency.

Chairman Higgins made it plain that he did not agree with the County Board in its redistricting of Jacksonville. He was of the opinion that it would have been far better when the change was made to have the county districts in the city of Jacksonville conform with the sixteen city districts. In this manner voters would not have to go hunting their voting place at each city and county election as has been the case in the past and will be more so under the present arrangement.

The Republican committeemen named by Mr. French are:

District No. 4—Lee R. Crawford, District No. 7—R. L. Dye, District No. 8—J. S. Green, District No. 11—James Guyette, District No. 17—John Minter, Meredosa—William Pond, Chapin—R. D. Omer, Murrayville—J. H. Spencer, Waverly to be named later. The committeemen named by Mr. Higgins are:

District No. 2—William Shields, District No. 7—Sam Ragan, District No. 9—William H. Self, District No. 10—J. Richard Reynolds, District No. 12—M. M. Wood, District No. 16—Harry Potter, Murrayville No. 2—W. A. Wesner, Meredosa No. 2—Clyde McAlister, Chapin and Waverly not yet named.

In naming these committeemen the chairmen of the respective county committees have been governed by the location of the regular committeemen in their respective districts. This accounts for the discrepancy in the numbers of the districts where the two parties were compelled to name committeemen.

### AN OPEN LETTER.

To the Women of Jacksonville:

Next Tuesday, Nov. 4th, is a most important day in the history of the state of Illinois. Men voters are to choose delegates who will frame the new constitution so badly needed by the state. It is a sacred duty they have to perform. I am appealing to the women to see that the men in their homes go to the polls to vote. To fail to register one's choice at this time is unpatriotic. The women can and should vote on the questions of public policy. A dangerous condition exists, as certain influences, by petition, have placed on the ballot questions which may result harmfully to the State if not voted down. There are nearly 1,500,000 men voters in the state. When the women came into full suffrage, as will soon be the case by either federal amendment or by a new constitution in Illinois, there will be at least 3,000,000 voters.

These questions of public policy ask to put into the new constitution requirement that upon petition of 100,000 voters (which could be easily obtained in Chicago alone) any law, foolish or otherwise, be submitted to the vote of the people; and also a requirement that upon petition of 50,000 voters, a law passed by any legislature shall be suspended until the people have a vote on it. This is called the initiative and referendum.

Under such a plan, half a dozen cranks could get up a law, and all the other 99,994 petitioners would have to say about it would be to "sign on the dotted line." When 100,000 voters are secured, then the law will be adopted, unless the people, nearly 3,000,000 of them—who have never been consulted, get out and beat it by a majority vote.

The fact that this measure is being urged by the United Societies of liquor organizations ought to be enough to compel every woman voter in this county to vote against it.

Nov. 4th, Tuesday is the 6th anniversary of the day the women of Jacksonville first voted. To vote against this pernicious legislation is a good way to celebrate.

Yours Sincerely, Lillian I. Danskin.

## MRS. CLARK SEVERELY INJURED SATURDAY

Resident of North Prairie Street Cuts All Tendons and Blood Vessels in Right Arm Yesterday Morning.

Mrs. E. L. Clark, of 311 North Prairie street, was severely cut Saturday morning about 11 o'clock when a glass in the kitchen door at her home broke.

Mrs. Clark was going into the kitchen at the time of the accident and pushed against the glass panel in the door to force it open. The glass broke under the pressure of her hand and Mrs. Clark's arm crashed on thru the glass. Every tendon and every blood vessel in her right arm was cut.

Dr. A. M. King was immediately summoned and succeeded in checking the flow of blood so that Mrs. Clark could be removed to Our Savior's hospital.

The injury is a most serious and painful one and it is probable that Mrs. Clark will be a patient at the hospital for some time as she is weak from loss of blood. Dr. King stated yesterday that it will take many weeks for the cut tendons to heal.

## Red Cross Finances in Review

(From complete audit of Red Cross accounts by J. J. Kell)  
Appended is a statement of the general war fund account of the  
Morgan County Chapter American Red Cross. The report of the special  
account is also given. The report for the general fund shows re-  
ceipts of \$50,873.33, with payments of \$32,059.21. This left bal-  
ance in the treasury July 1, 1919, of \$18,814.12. The report is a  
matter of general public interest. The various payments to W. E.  
Collins are for expenditures in home service work:

## MY HEAD!

When the head feels thick or aches, when one feels all out-of-sorts—perhaps a coated tongue—it is the signal that poisons are accumulating in the system, and should be cleaned out at once.

Auto-intoxication can be best described to our own neglect or carelessness. When the organs fail in the discharge of their duties, the putrefactive germs set in and generate toxins—actual poisons which fill one's own body.

Sleepiness after meals, flushing of the face, extreme lassitude, biliousness, dizziness, sick headache, acidity of the stomach, heartburn, offensive breath, anemia, loss of weight and muscular power, decrease of vitality or lowering of resistance to infectious diseases, disturbance of the eye, dyspepsia, indigestion, gastritis, many forms of catarrh, asthma, ear affection and allied ailments result from auto-intoxication or self-poisoning.

Take castor oil, or procure a laxative drug store, a pleasant vegetable laxative, called Dr. Pierce's Pleasant Pellets, composed of May-apple, aloes and jalap.

## SIMPLE HOME REMEDY ADVISED FOR ROSE AND HAY FEVER

Anyone Can Make a Pint for Trifling Sum and Used in Time May Prevent Annual Attack.

"No matter how severe your yearly attack be.

No matter how distressing or humiliating its intensity can be reduced to a harmless, mildness."

says a Kentucky druggist who believes from what he has seen that this simple home made remedy is a most important discovery.

He has seen the most severe and apparently unconquerable cases reduced to what might be called a mild cold in twenty-four hours.

In many cases where the patient started treatment a week or ten days before the expected attack the unwelcome yearly visitor failed to appear with anything like its usual intensity.

People who want to try this new treatment can make a pint in a few minutes.

Pour one ounce of Mentholized Arcline into a pint bottle then fill the bottle with water, that has been boiled. Gargle daily as directed and snuff or spray the nostrils twice daily.

That's all there is to the treatment which so many sufferers have found to be a true friend.

Mentholized Arcline in one ounce vials is dispensed by all the better pharmacies.

## FASCINATING TEETH

How Every Woman Can Quickly Charm Her Friends With Lovely Teeth, Clean, White and Brilliant

If you want the cleanest of white teeth and healthy gums free from disease, an easy and quick way to get both is to use tooth paste so effective and perfect that astonishing results usually come in a week's time.

And the cost is so little. Just go to any drug or department store, and get a large tube of SENRECO TOOTH PASTE for 35 cents.

Not only will it make your teeth clean and white, but it will remove any filmy coating, help to check the ravages of pyorrhea and banish acidity in the mouth.

It is used by thousands of dentists and is a safe and remarkable. When you visit your dentist, you should do at least twice a year, ask him about SENRECO. It's a most delightful and refreshing tooth paste.

## POLITICAL HONOR FOR WHITE HALL MAN

Rev. E. C. Incas, Pastor of Christian Church, Nominated for Constitutional Convention Delegate—Big Drainage Project—Other Items.

White Hall, Nov. 1.—Political honor has been thrust upon a White Hall citizen who is worthy and well qualified for the post intended that he should have. It develops that this citizen, Rev. E. C. Incas, pastor of the Christian church, was nominated for delegate to the constitutional convention on the socialist ticket, and the tardiness in getting notification to him by the secretary of state came near allowing his name to appear on the ballot. Rev. Incas prevailed upon County Clerk Ballard to do a "hot-foot" in keeping his name off, and Rev. Incas made affidavit that he is not a socialist, and was not aware that he was being voted on until the notice was received from Mr. Emerson, the delay being due to the fact that the postoffice address of Rev. Incas did not appear, and the secretary of state could not locate him sooner. Had it turned out that his name could not be kept off the ballot, Rev. Incas had made up his mind to make a vigorous canvass for the honor.

White Hall is pretty well prepared for the threatened coal strike, and supplies on hand should keep homes comfortable and factories and utilities in operation for at least two months. Distribution of the domestic supply by local dealers in the past few weeks has prevented hogging by a few, and all have been equally cared for in a most satisfactory manner. The C. I. P. S. Co., already has 25 carloads stored on the ground about the north elevator, and this means that the heating system will be kept in operation indefinitely. The factories are well stocked, and the strike will have to be prolonged until after the holidays if the worst is to be inflicted upon

White Hall and vicinity.

Postmaster J. E. Wyatt, of the central accounting postoffice at White Hall, went to Barrow, four miles north, this morning, and made an inventory of the loss by a robbery that occurred some time during Tuesday night or Wednesday morning. The robbery was discovered by Postmaster Burns Wednesday when he went to his little store in which is located the postoffice in the rear. Nothing what had happened, he closed the office at once and reported the matter to the central office at White Hall and blood-hounds were summoned from Alsey, but they failed to disclose any clue. There were no indications as to how the robbers were traveling. They apparently effected entrance with little difficulty thru the front door, and no one was disturbed by the operations. The loss is small. The postmaster luckily took the postage stamps home with him the evening before, leaving a small amount of money and the War Savings stamps at the office, and this is all that is missed. Mr. Wyatt states that the Barrow office had been supplied with \$100.00 worth of War Stamps recently, and that a few had been sold, making the total loss approximately less than a hundred dollars. The central accounting postoffice at White Hall supplies all the postoffices in Greene county except Carrollton.

## Another Big Drainage Project.

The project of reclaiming overflow land along Apple creek for a distance of over fifteen miles east and south of White Hall is assuming tangibility. The new district will embrace nearly 10,000 acres. The district will extend from the Mansfield ranch on the north southerly and westerly thru Gregory ranch and smaller farms to the Fairbanks ranch, where it will connect with levee work that extends on to the Illinois river. The project was first taken up in earnest three years ago, but at that time it was designed to extend from the Mansfield ranch south only as far as the Chicago & Alton railroad bridge, a distance of five miles. Then it was that the owners of land along the lower reaches of Apple creek, below the C. & A. railroad bridge, a distance of less than five miles, petitioned to be included, and the enlarged project caused delay that has prevented the petition being presented to the county court of Greene county, but it will be ready for presentation soon. The biggest part of the job will be in straightening the course of the creek, which now winds around great stretches of land that will be released for cultivation.

The character of the soil along Apple creek is said to be richer than that of the Illinois river bottoms. As one of the land-owners puts it, "it is a livelier soil on account of sand content that makes it even richer than that of the reclaimed acres of the Illinois valley thru Greene county," frequently referred to as "The Nile of America."

Engineers employed in drawing up plans and estimates have been in White Hall this week in conference with those interested. There was a large attendance at a formal meeting held Wednesday afternoon at the office of Attorney H. O. Tunison. The district is to be organized under the drainage laws.

Reclamation work in Greene county in the last twenty years has added enormously to the assessed land values. The pioneer work dates back more than thirty years, and was confined to the Illinois river. Cyrus Hartwell built levees against the river overflow, and others followed, but the character of the work, the huge tasks in that day, were almost efforts in comparison with the modern levee and ditching enterprises that have proven adequate to stay the ravages of any stage of the river so far recorded.

This, like all movements that achieve results, had a competent leader. The father of successful reclamation along the Illinois river is Louis Lowenstein of White Hall, former president of the Association of Drainage and Levee District Commissioners of Illinois. He paved the way that has added and will add hundreds of thousands of dollars to the taxable value of Greene county lands, the original project organized by him being the Hillview Drainage and Levee District of 14,000 acres, which comprises land worth from \$150.00 to \$250.00 per acre. Seth H. Griswold, and was sold before being reclaimed at from \$2.50 to \$10.00 per acre. Seth H. Griswold, of White Hall, bought hundreds of acres before reclamation at \$10.00 and less per acre, and was one of the original staunch supporters of the plans of Louis Lowenstein in bringing the Illinois valley out of the mire and keeping it there. Adjoining the Hillview district to the south is the Hartwell district of 8,000 acres, and then comes the Fairbanks district of 12,000 acres. The Apple creek project has these object lessons of encouragement on a deal that will add over 9,000 acres more of reclaimed land right thru the heart of Greene county.

Practically all these enterprises have been brought to a conclusion by White Hall initiative and capital, except the Fairbanks district, which is the property of the estate of the late vice president of the United States. The community owes much to the brains and initiative of Citizen Lowenstein in placing his home city in such an enviable setting. He has practically relinquished all his land holdings, and could afford to spend his days at ease in California or Honolulu, but he is still an everyday business man, who just now is leading the drive in Greene county for the Jewish relief fund, is chairman of the board of education that is planning a new \$125,000 community high school and agricultural station, and as he has a few odd hours to spare is also completing a deal for the establishment of an important en-

terprise right in the heart of the city. He has amassed a fortune that is being devoted to the community welfare with results that can not fail to bring satisfaction to a right-minded man, as he is, and will redound to his everlastingly glorious memory.

These are the kind of men who build communities of the higher order. We have more such individuals who will be considered later, because Mr. Lowenstein occupies a place alone in his achievements and purposes.

Miss Catlin, of the Central Insane Hospital at Jacksonville, was in town today in pursuance of an investigation into the mentality of Mrs. Mabel Austin, recently committed to the hospital by a jury for the killing of Mrs. Eunice Wayman last February. Miss Catlin went from here to Carrollton. She says that the investigation will be thoro for a two-fold purpose. One is that if Mrs. Austin is mentally deficient and dangerous, she should be removed from the community, and the other reason is to prevent the

commitment of criminals to insane hospitals for the sole purpose of escaping punishment, a subterfuge that might be accomplished thru juries by designing lawyers.

Tested 250,000 Miles  
Three-Point Cantilever Springs  
Greatest Improvement Since  
Pneumatic Tires

OVERLAND 4 has been put through the most thorough and severe test possible. 250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Cantilever Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

They protect the car from road shocks and prolong the life of every part. They enable the wheels to hold better to the road. They give

greater comfort under all road conditions.

They do away almost entirely with side sway and rebound which twist and rack the car.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Spring-base gives the steadiness and smooth riding of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Marshall Divan Spring Upholstery.

# -better biscuits

Lighter, tastier, finer-grained, more wholesome biscuits than you ever made, ever saw or ever tasted.

No biscuits, in any way, can compare with those made with Calumet Baking Powder.

The same is true of all bakings, doughnuts, cakes, muffins—everything that is leavened with Calumet.

Calumet is so perfectly made, you are always absolutely sure of the best results.

There is never a minute of uncertainty or doubt. Its strength never changes. It never weakens.

Every spoonful of every can is of the highest quality and purity.

It raises the quality of your bakings—and this is of vital importance in these days of high costs—it greatly lowers baking expense.

## CALUMET BAKING POWDER

The most economical of all Baking Powders. You save when you buy it—moderate in price. You save when you use it—has more than the ordinary leavening strength—therefore you use less. You save materials it is used with because there are no spoiled bakings.

Calumet is the world's biggest selling baking powder, simply because it has demonstrated to millions of housewives that it's the most dependable and economical. It is pure in the can—pure in the baking.

### CALUMET BISCUITS

- |  |                                    |
|--|------------------------------------|
| 3 level cups of flour.                         | 1 level teaspoonful salt.          |
| 3 level teaspoonfuls of Calumet Baking Powder. | 3 level tablespoonfuls shortening. |
|  | 1 1/2 cups milk or water.          |

**HOW TO MAKE THEM** — Sift all dry ingredients together. Then work in shortening thoroughly. Next add cold milk or water, mixing to a soft dough. Turn dough on floured board and roll out lightly till 1/2 inch thick. Cut into biscuits and lay in baking pan. Let stand for five minutes; then bake in hot oven.

This is positively one of the best biscuit recipes ever formulated. Cut out and paste in your recipe book for future reference.

Calumet is manufactured in the largest, finest, most sanitary Baking Powder factory in existence.

Sold under a positive guarantee of "Money Back"—if it doesn't give better results at less expense than any other baking powder you ever used—regardless of price.

Try it! Have greater baking success—more wholesome and delicious foods. Save money, time, worry—and lots of it.

### DON'T OVERLOOK THIS!

When you buy a pound can of Calumet you get a full pound—16 ounces—no short weights. Some baking powders are now being put on the market in 12-ounce cans instead of pound cans. Be sure you get a pound when you want it. Remember—Calumet is not made by the Trust—not sold at Trust prices.

### Valuable 72-Page Cook Book

## FIFTY-ONE REWARDED FOR ACTS OF HEROISM

Five Silver and Forty-Six Bronze Medals Allowed by Carnegie Hero Fund Commission—Thirteen Heroes Lose Lives.

Pittsburgh, Pa., Oct. 31.—Fifty-one acts of heroism were recognized and rewarded by the Carnegie Hero Fund Commission at a meeting held here today.

In five cases silver medals were awarded; in forty-six cases bronze medals. Thirteen of the heroes lost their lives, and to the dependents of three of these pensions aggregating \$2,160 a year were granted; to the dependents of six of the others who lost their lives, the sum of \$3,750 was granted to be applied as the commission may sanction. One of the heroes sustained injuries, and he was granted disablement benefits in the sum of \$400 to reimburse him for his loss.

In addition to these money grants, in seven cases \$19,000 was appropriated for educational purposes, payment to be made as needed, and approved; and in twenty-seven cases awards aggregating \$23,500 were made for other worthy purposes. Payments in the one-sum cases will not be made until the beneficiaries' plans for the use of the awards have been approved by the commission. The awards follow:

## A LIVELY CITY

Dr. J. W. Sperry has recently returned from attending the races at Lexington, Kentucky, and gives a vivid picture of conditions in that southern metropolis. He says sumptuary laws are absolutely defied without any pretense of concealment. Saloons run wide open and anybody with money can get whiskey, beer or any kind of wet goods he is able to pay for. Whiskey sells for the modest sum of twelve dollars a quart or fifty cents a drink; but that matters little. Many from Cincinnati and other cities visit the place and satisfy their thirst for the ardent. A tremendous business is doing all the time. At the races, matters were on the same order. Betting in every conceivable form was carried on openly. Sometimes there would be waiting lists two or three rods long waiting to buy goods. Pools were sold at auction and every other way. Wealthy men had their boxes and would buy through servants or messengers, but buy they did. The doctor says it certainly is the liveliest place he has seen for a long time. Men and boys were hanging around the race track and pool rooms with handfuls of money waiting to bet. Heats of races were held back that the betting might be settled, as each heat sometimes constituted a race. Sometimes there would be a long line waiting in front of pool rooms to receive their winnings and so it went; hustle and bustle everywhere and lots of money changing hands.

The doctor said he talked with one of the saloon men and asked them how they could go ahead that way. The man replied that he supposed they would have to settle with the government some time and they had the money for the purpose.

Remember too; all this within a few days and still the fun probably goes on.

## GETS 28 EGGS A DAY NOW, FROM 34 HENS

Chas. C. White, Well-Known Breeder, Tells How. Costs Nothing to Try.

"I gave Don Sung to 34 utility Buff Orpingtons and the egg yield increased from 7 to 28 eggs a day. Don Sung is a wonder and I am now giving it to all my hens regularly."

Chas. C. White, Manager Cherry Hill Farm, Flackville, Ind.

Mr. White is the well known breeder and exhibitor. He wrote the above letter during bitter cold weather in December, after his test had shown a gain of 21 eggs a day from 34 hens. We will make you the same offer we made him. Here it is:

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply let us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Dugger Co., 284 Columbia Bldg., Indianapolis, Ind.

## METHODISTS WILL OBSERVE ANNIVERSARY

Ninety Sixth Anniversary of Methodism in White Hall Will Be Observed Sunday—Heavy Rainfall for October.

White Hall, Nov. 1.—The ninety-sixth anniversary of Methodism in White Hall will be observed with exercises commencing next Sunday night and continuing thru the following Sunday. Certain features of the church work and departmental affairs will be taken up each evening. The opening service next Sunday evening will be devoted to the Sunday school in accordance with the following program: Song by the school; scripture reading; Merchant C. G. Noeker; Prayer; Painter C. C. Rose; Song; Primary Class; Reading, Martha Maberry; Song, "The Church in the Wilderness" by the school and a history of this song by Mrs. Nora Henderson; the Sunday school fifty years ago, Dr. G. W. Burns; 35 and 40 years ago, Mrs. Emma Whitaker; 20 to 25 years ago, S. W. Wade; Voice duet, Mr. and Mrs. Harry Littleton; concluding with a short sermon by Pastor Leo Howard.

Monday evening will be devoted to the auxiliaries, and there will be an address on the junior and intermediate societies by Mrs. Leo Howard; Ladies Aid by Mrs. Frank Frech; Improvement League, Mrs. T. M. English; Women's Foreign missionary society, Miss Edith McCollister; church council and the official board, S. W. Wade.

Tuesday evening will be read messages and greetings from afar and already word has been received from Rev. E. H. Plagge of Arcola, Rev. W. H. McGhee of Chestnut, Rev. H. T. Wilson of Hillsboro, Rev. W. H. Rutledge of Champaign, all former pastors; Mrs. C. A. Crane of Newton, Mass., widow of a former pastor, who was pastor of Plymouth Temple in Boston at the time of his death ten years ago; Frank King, Geneva, Ohio; Mrs. C. H. Baughman, Lansing, Mich., formerly Miss Sarah King; Mina and Mary McCollister, Omaha; Mrs. Ed North, Memphis, Tenn.; W. G. Ebey, Hamlet, N. C.; Rebecca and Hettie Davis, Los Angeles.

Wednesday evening will be taken up by the ladies and the program will be conducted by the White Hall Music Club under the direction of Miss Bird Duncan, member of the well known quartet of Duncan sisters. The other churches will dismiss prayer services and join in a union service in connection with the Methodist anniversary. There will be a reading by Mrs. Mary

Roodhouse, and Mrs. Minnie Ludwig will give a paper on "What Some Women Have Done for Religion." There will also be a paper on "Some Women of the White Hall M. E. Church."

Thursday evening will be given over to the Centenary movement with C. C. Rose as chairman. The special music numbers will be by a mixed quartet from the choir of the Christian church, and there will be a vocal number by Rev. E. C. Lucas, the Christian church pastor.

Friday evening will appear the community chorus of men, and the proceedings will be under the direction of C. G. Noeker. There will be a violin number by Mrs. W. B. Strang. The anniversary sermon will be delivered by Pastor Howard Sunday morning and the concluding service Sunday evening will be a citizen's pageant in charge of Mrs. N. R. Mason. During the week vocal numbers will be rendered by Mrs. Ruby Brown, Miss Bird Duncan and Dr. A. C. Rich.

### Organized in 1823.

Methodism in White Hall was established as a clan in the year 1823, and for several years services were held in the homes of the clan. In 1832 the Methodists and Baptists erected a union church, and here the Methodists held meetings until the erection of a separate church in 1837 at the corner of Main and Franklin streets, where the Rogers grocery is now located. The first regular pastor was Rec. Blankston in 1839.

In 1872 the present fine edifice on North Main street was erected at a cost of \$23,000, it being designed by the late George Hall, a pioneer stoneware manufacturer. There were originally two spires, the one at the southeast corner being blown off by a storm in 1882, and for some time it remained with the point buried deep in the ground thru the brick pavement with the bottom end pointing upward. It was finally taken out, but not replaced in its spiral position. Other changes have been made on the original brick building, there being a new front entrance and interior decorations. A massive pipe organ was installed in recent years. The auditorium has a seating capacity of 500. The basement accommodates the Sunday school and meetings of lesser magnitude. The brick pavement that covered the entire frontage has been removed and concrete walks and bluegrass substituted. The church is in the best financial condition in its history. It is the oldest church organization in the city, but antedates the Baptist organization only three years.

Rev. Henry G. Wallace was pastor from 1871 to 1873, during which time the congregation occupied the present handsome quarters which were dedicated by Bishop Bowman, and the new era began with a membership of only sixty five. The present membership is 285, and the present activity indicates growth of a substantial sort during the present year, the size of the congregations having increased quite extensively in a few months.

### Heavy Rainfall.

The month of October broke all records for precipitation, according to a summary issued by R. B. Pearce, co-operative observer of the weather bureau. The total rainfall for the month was 8.27 inches. The greatest fall in 24 hours was 2.05 inches on the 27th and next came 1.91 inches on the 31st. There were thirteen days with 0.01 inch or more of precipitation, twelve clear days, eight partly cloudy and eleven cloudy. Thunder storms occurred on the 10th, 16th and 31st. The normal rainfall for October at White Hall is 2.88 inches.

The mean temperature was 58.5 degrees, 3.3 degrees above normal, mean maximum 70.7 and mean minimum 46.4. The highest was 89 on the 1st, and the lowest 31 on the 18th and 29th. Heavy frosts occurred on the 17th and 18th, but no killing frost has yet been recorded at this station this season.

Previous heavy rainfalls in October are 1919, 5.48 inches; 1912, 4.11; 1913, 4.44; 1914, 5.26; 1918, 3.26.

## THE OBSERVATORY

President Wilson's remarks to the union miners were intended, evidently, to add fuel to the flames.

Just because young Cornelius Vanderbilt of the New York Herald is getting married this winter is no reason why a lot of other newspaper reporters should think this is a good winter for newspaper men to marry.

Houston B. Teehe of Oklahoma has resigned as register of the treasury. His successor has not been named, but it seems as though some of the Oklahoma reservations ought to afford a citizen named Boohoo or Haha as a successor to Mr. Teehe.

Those Detroit bandits who plotted to kidnap Edsel Ford at least had a monumental nerve, after General Crowder had tried it and failed. Had they forgotten he is exempt?

The Hays News, always with the good of its party at heart, advises the Democratic leaders to quit angling for Democratic senators to run for president, and nominate Hoover forthwith. "Hoover kept the world from starving for four years, and we believe he could do as much for the Democratic party," says the News.

Since Secretary Baker has so generously sent to France the country's surplus sugar supply, he'd just as well send our big cranberry crop along too.

The man who offers you figures showing that the cost of living has been lowered also brings to your mind the old saying "figures won't lie, but liars will figure."

The question of working or not working might be settled by local option.

The next agony the public must suffer is the selection of the all-star football teams by the various coaches.

The first real touch of winter brought out the heavy overcoats and the window displays of cough remedies.

It seems to be the sentiment of the head of the house hereabouts, that if the coal miners will do their part, he won't utter a word of complaint against carrying out the ashes.

### THE SECOND ROOSEVELT.

The country is especially interested in the campaign of Lieut. Col. Theodore Roosevelt for the N. Y. Assembly because he is his father's son. But Roosevelt himself isn't making the race on any such basis. He was told he might have the congressional nomination. He refused it because it might have been construed as a favor.

He took the nomination for the assembly and is stumping his district just as any other man might. He is making speeches for policies he believes in. If he is elected it will be on his merits, not on his father's. The Middle West has recently heard Roosevelt speaking for the American Legion. A more modest, straightforward, sensible young fellow it hasn't met in many a day. He stands on his own feet.

### LEARNING TO USE THE NEWSPAPERS

A bulletin board of current events has been inaugurated in the children's room at the Public Library. The news which is posted on that bulletin board is clipped from the newspapers by the girls and boys of the David Prince Junior High School.

By chance one day last week at the Public Library, the fact was made evident that a number of children did not know "Who is Henry Cabot Lodge?" The Current Events Bulletin Board is planned to keep the children in touch with the most important events, local, national and international.

The boys and girls have entered enthusiastically into keeping the bulletin board supplied with news items. The work is done by sections of students at the Junior High School. The clippings are taken to school first and the girls and boys are given credit in their English work for work they do in this connection. The first day a small section at David Prince sent in the clippings. There were 12 children in the section, but it was a rainy day and only 5 clippings came to the library. Yesterday Section One with 28 children quite covered themselves with glory. It was not only the number of clippings although 53 slips showed industrious scanning of the papers; but the news items were well selected. Only three items aside from duplicates were not considered of enough importance to have a place on the library bulletin board.

News reading is becoming more than a habit in these stirring days. It is a necessity to each person who is really alive.

Miss White, principal of the David Prince Junior High School, has asked Miss Bowman, children's librarian at the Public Library to come to the school on Wednesday mornings every other week and talk to the boys and girls on current topics.

## GIRLS! DRAW A MOIST CLOTH THROUGH HAIR

Let "Danderine" save your hair and double its beauty

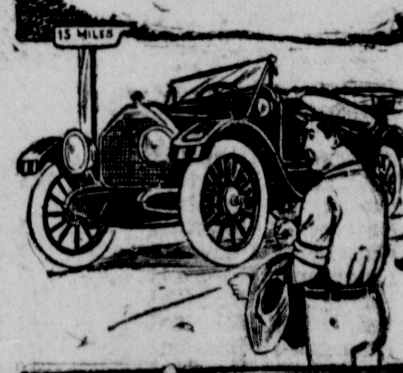

Oh, girls, such an abundance of thick, heavy, invigorated hair; a perfect mass of wavy, silky hair, gloriously fluffy, bright and so easy to manage.

Just moisten a cloth with a little "Danderine" and carefully draw it through your hair, taking one small strand at a time; this magically removes all dirt, excess oil and grease, but your hair is not left brittle (dry, stringy or faded), but charmingly soft, with glossy, golden gleams and tender lights. The youthful glints, tints and color are again in your hair.

"Danderine" is a tonic-beautifier. Besides doubling the beauty of the hair at once, it checks dandruff and stops falling hair. Get delightful Danderine for a few cents at any drug or toilet counter and use it as a dressing and invigorator as told on bottle.

If you are going to buy a range this fall, this ad brings real news to you. From

## Monday Nov. 3 to Nov. 8

inclusive the renowned Monarch Range will be sold at  
**SPECIAL DEMONSTRATION SALE**

The Monarch Range is an improved article. It has passed the experimental stage long ago by having over a quarter century of range constructing experience built into it. As a result the Monarch makers have a product that we may offer you with all confidence, knowing in its sale we are giving you a range that will be satisfactory for every minute of the time during the many years you will use it.

That is why the "Stay Satisfactory" Monarch can be unconditionally guaranteed.

There are many exclusive features in a Monarch that make it the better range for you to buy. Here are a few of them:

1. A duplex Draft that heats the firebox evenly, using less fuel and assuring better and quicker baking.
2. Hot Blast Fire Walls made extra heavy to provide long life and an actual one-fourth saving in fuel. Monarch users only burn one bucket of coal a day, on the average.
3. A Mirco finished top, that no other range can duplicate, which makes the Monarch as easily cleaned as a china dish. No blackening. No rubbing. No rust.
4. A large enough pouch feed to enable you to pour in coal easily without scattering it about your floor and without the necessity of raising lids, moving cooking vessels and losing lots of good heat.
5. Smooth finish without rivets or bolt heads showing.
6. An all malleable, tested steel flue boot and top with hand-riveted, air-tight construction throughout that means long life and no open seams. The Monarch is famous for this.
7. A triple Wall Construction that is Vitreous Enameled and absolutely rust resisting. A body construction to be found in no other range.

In all the Monarch offers you untold economy in a range purchase. Its long life, its fuel saving features, its simplicity of construction, all make it the range you will eventually want in your kitchen. Take advantage of this unusual offer and select your Monarch during this sale.

### WHY THE RED CROSS IS STILL NEEDED HERE

Red Cross and Social Service League are Organizations With Different Fields.

With the announcement of the Red Cross membership campaign which begins November second, the question has been raised as to why the Red Cross must still be maintained here, now that its war work is finished, when we have an efficient Social Service League. The answer is that the two organizations operate in different fields.

In the first place, the Social Service League confine itself entirely to work in the city whereas the Red Cross chapter is a county organization; and second, while the League assists anyone in the city who needs its service, the Red Cross Home Service department (the only department now active) helps only soldiers and their dependent relatives.

For a year after a man is discharged from the army the Red Cross holds itself responsible for aiding him or his family, but after that time has expired he ceases to be a Red Cross case, and help if still needed, he is turned over to charitable agencies. Of course the time will come when the Red Cross will have finished its services for all the Morgan county men who served in the Great War. In the meantime, however, the organization must be adequately financed for carrying out whatever work the needs of our soldiers may demand. When these activities are no longer necessary, the policies of the chapter will be changed and responsibility for other charitable

### "SNAKE OIL" STOPS PAIN

Over Ten Million Bottles Sold

Letters from thousands of people all over America prove that Miller's Antiseptic Oil (known as Snake Oil) is probably the greatest known remedy for rheumatism, lumbago, stiff joints, sprains, la grippe, colds, pneumonia, influenza, etc. They say that "Snake Oil" penetrates so quickly that it is sure to stop pain. Mr. Adam Nabors, Provençal, La. writes: "Enclosed find \$2 for some more 'Snake Oil'. We all like it fine. Please send at once." Mr. H. M. Atwell, Center, Ky., writes: "I have tried two bottles and have received great relief. Please ship a \$1 bottle at once, as we are needing it badly. Get a 30c, 60c or \$1 bottle today from any good drug store with the understanding that your money will be returned if you are not satisfied. Demand the genuine Miller's Antiseptic Oil (known as Snake Oil). For sale by Armstrong & Armstrong.—Adv.

### "SYRUP OF FIGS" IS LAXATIVE FOR CHILD

Look At Tongue! Remove Poisons from Stomach, Liver and Bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. ### CHEST CLOGGED UP WITH HEAVY COLD?

Don't give it a chance to "set in"—use Dr. King's New Discovery

THAT dangerous stage where a cold or cough or case of grippé might get the better of you may be nearer than you think. Prompt action with Dr. King's New Discovery will avert a long siege.

For fifty years it has loosened congested chests, dissipated tight-packed phlegm, broken vicious colds and coughs. Give it to the youngsters—take it yourself. There will be no disagreeable after-effects. 50c. and \$1.20 a bottle. At your druggist's. Give it a trial.

### Bowels Become Normal

—liver livens up, bile flows freely—headache, biliousness, tongue-fur, stomach-sourness, disappear when Dr. King's New Life Pills get in their natural, comfortable action. Purgatives, never pleasantly corrective, sometimes habit-forming, should not be taken to rack the system violently. Nature's way is the way of Dr. King's New Life Pills—gently but firmly functioning the bowels, eliminating the intestine-clogging waste, and promoting the most gratifying results. Cleanse the system with them and know the boon of regular bowels. 25c. at all druggists.

work will no doubt be assumed, as it is expected that the organization will be permanent in this community.

The same financial policy will be followed in this campaign as in those that preceded it. Membership costs one dollar. Fifty cents of each dollar go to the national society to help carry on its larger work, and fifty cents remains in the treasury of the Morgan County chapter for local work.

### ILLINOIS WOMAN'S COLLEGE NOTES

Miss Janette Powell, of the department of expression, gave a group of readings before the Parent-Teachers Association of the second ward Thursday afternoon.

Miss Grace Hasenstab, of the class of 1919, now engaged in work for the Public Welfare Department of the State, is in Chicago making arrangements with a large firm there who expect to employ all the deaf graduates of the school in Jacksonville. Miss Hasenstab likes her work and good reports come to the college of her success.

Miss Bertha M. Jones, director of the department of Home Economics, is spending the week-end at her home in Champaign. Mrs. Ella H. Fidler, of Newman, is visiting her daughter, who is a sophomore at the college. Mrs. Fidler is on her way to California where she will spend the winter.

The classes in swimming in the gym continue to grow. With plenty of water assured from the city there is no likelihood of interruptions this year in the program as outlined by the department.

Mrs. E. H. Rahm, of Momence, Ill., is visiting her niece, Miss Grace Styles, who is a Freshman in the college.

The Y. W. C. A. completed successfully their campaign for funds for this school year. Their budget calls for \$1,000 and this amount has been provided. It makes possible both local and foreign work.

Miss Winifred Keplinger has gone to Decatur, where she will attend the wedding of her cousin.

Miss Lucille Olinger, of the class of 1916, was a visitor at the college this week, calling on her sister, Miss Eunice.

Attractive circulars have been received at the college advertising Mr. Paul Shirley, of Boston, a concert violinist who is touring the East and who will be in a few cities in the middle West and South during the months of February and March. His accompanist is Miss Edna Sheppard, of Jacksonville. Many friends here in the city remember well this brilliant pianist who is making an enviable reputation for herself and for the College of which she is a graduate.

The College Specials entertained the members of the faculty and students in a cleverly planned Halloween party Saturday night. Arrangements have just been received at the college of the marriage of Miss Hazel Parks of Le Roy, Illinois, to Mr. Irvin W. Kinsey. Miss Parks is a graduate of the class of 1911, having engaged in this work since leaving college, and has been quite successful. Mr. and Mrs. Kinsey will make their home in Ottumwa, Iowa.

Miss Wackerle entertained the South Side Circle at a Halloween party in the Phi Nu Society Hall Friday night. About sixty guests were present, and a most interesting and delightful program was given by Mrs. Hartmann with two groups of songs, Miss Janette Powell with some readings, and Miss Moore with several violin selections. Miss Marjorie Taylor played the accompaniments most acceptably. Appetizing refreshments added greatly to the evening's pleasure.

The College Glee Club entertained the students with a number of songs at the vesper service Friday evening.

President Harker has returned from Hopkins, Mo., where he officiated at the wedding of Miss Edna Robb, of the class of 1916.

Saturday evening, October 25th the Belles Lettres Society entertained at the Colonial Inn at an old fashioned quilting party. A tiny ducky, dressed in the black and gold livery of a page, admitted the guests who carried out in dress and powdered hair the quaint spirit of the party.

The Theta Sigma Literary Society was entertained at the home of Miss Marian DePew Saturday evening, October 25th. The Society entertained about fifteen guests at a waffle breakfast at the Peacock Inn Monday morning.

The Lambda Alpha Mu Literary Society entertained at breakfast at the Pacific Hotel Monday morning.

Dr. Washburn, who is a teacher at a school in Bolivia, gave a talk on South America at the Young Woman's Christian Association last Sunday afternoon. He gave much interesting information about the life of the country, stressing particularly the educational system.

Monday evening, Miss Edith Robinson gave her annual piano recital. A very interesting and charming program was given. Several numbers of modern composers were especially delightful.

The Misses Doris Byers and Clara Lionberger of Colusa, Illinois, have been week-end guests of Miss Helen Byers.

Miss Dorothy Pinkston, '18, was a visitor at the college the week-end.

Miss Eleanor McCauley of Chicago, was the guest of Miss Marie Bliff over Sunday.

**CHURCH SERVICES TODAY**

Central Christian church, M. L. Pontius, minister. Whether the day is bright or gloomy, whether the church services may receive good cheer. Bible school at 9:30 under the direction of C. L. Mathis, superintendent. Suitable classes for all and opportunity to learn more of the Bible. Morning worship at 10:45. You will be interested in learning more of "A Question That Has Never Been Answered," which is the theme of the sermon. At the evening service at 7:30 the sermon theme "Is a Lie Ever Justified?" will be answered. Music at each church service by the quartet and chorus choir with Prof. Chas. Keep as leader. Christian Endeavor services at 6:30 p. m. Miss Blanche Turley will lead the Senior society; Miss Anna Rice the Intermediate, and Junior Barr the Juniors. You are cordially invited to attend the services of the day.

Northminster Presbyterian—W. E. Spoons, minister—Preaching at 10:45 a. m. and 7:30 p. m. The morning subject, "The Three Old Wells." This is a continuation of the very interesting theme of last Sunday morning. Evening subject, "Joan of Arc." This will be a lecture on the most mysterious character France has ever produced. The ladies of the

church will give their annual supper on Thursday, Nov. 20. The New Era Institute will be held in this city next Thursday. Junior Endeavor at 5:30 p. m. Senior Endeavor at 6:30 p. m. Prayer meeting and teachers' training class on Wednesday night. A cordial welcome to all to all our services.

Congregational church—W. Ernest Collins, minister. The church school meets at 9:30 with classes for all ages. Morning service at 10:45. Sermon subject, "Our Contribution." Special music by chorus choir. Soloist, Mrs. Gregory. The Christian Endeavor meets at 6:30. At 7:30 the Community Forum begins the winter program. Dr. Robert Clare of Petrograd, Russia, speaks on "The Riddle of the Russian Revolution." Mass singing under the leadership of Mr. Collins will introduce the meeting. Immediately after the address the speaker will invite questions from the audience. To those who are concerned in the present unrest and are seeking light on the world situation; to those whose hearts are athrob with life and who desire to meet the challenge of today; to the church in the name of Jesus the Christ, bids you welcome.

Morning anthem: "My Soul Longeth." Solo: "The Lord is My Shepherd." Mrs. Gregory. Evening anthem: "Breast the Wave Christian." Solo: "Repent Ye," Mrs. Gregory.

Westminster church—Edward B. Landis, pastor. The Sunday school will meet at 9:30 a. m. W. J. Brady, superintendent. Classes for all. Preaching at 10:45. Christian Endeavor at 6:45. Evening worship at 7:30. All are invited to these services. Special attention is called to the New Era conference on Thursday beginning at 10 o'clock. Watch for announcement in papers.

State Street Presbyterian—W. H. Marbach, pastor. This church opens its doors widely to all. To the busy mother cumbered about with much serving, to the business man faded and gone to pieces, or to the modern Hamlet in whose eyes the world has gone "state" and to whom there is something "rotten" (in society outside of Denmark), and who says with Dejected David "All men are liars," and to whose ever will, we say welcome. Man is restless until he finds God, and a likely place to find God is in the house of worship. Give the church a chance, by attending Sunday school at 9:30 a. m.; morning worship at 10:45 o'clock; Young People's C. E. meeting at 6:45 p. m. and evening service at 7:30 o'clock. Come, and bring your friend.

**MOVEMENTS OF MR. HEIMLICH**

D. T. Heimlich continues to be in demand by poultry growers and those interested in the humble hen. Monday and Tuesday he is to spend in Virginia demonstrating the methods of pulling a flock of hens; Wednesday and Thursday he is to be at Chester where there is to be a large gathering of poultry growers and is to make two addresses each day before a farmers' institute. More and more it is being demonstrated that the best pays and Mr. Heimlich is a worthy advocate of the fowl which is worth more to the country than the wheat crop.

**NO PROFITEERING HERE**  
A well known cattle feeder of this county was in the city yesterday and gave a Journal reporter the results of some cattle feeding this year. March 25 the gentleman bought 49 cattle at \$12.75, kept them seven months, shipped them to Chicago and sold them at \$12.40 for 46 of them and \$9.50 for three of them. Of course they gained some in that time but the corn fed them failed to bring market price.

The same gentleman paid from \$18.00 to \$21.00 for some hogs and sold them at \$13.65.

He said he felt he couldn't be accused of profiteering most certainly.

Bloomington Woman Suffered Nineteen Years — Tanlac Ends Trouble.

"When I found Tanlac I discovered just what I've been trying to find for nineteen years," was the statement made by Mrs. E. Lamke, of 707 West Monroe St., Bloomington, Ill., while talking to a Tanlac representative recently. "I don't believe anybody ever had stomach trouble as bad as I did," continued Mrs. Lamke. "I suffered a thousand deaths during all these years for after nearly every meal nearly everything I ate seemed to poison me, and cause gas to form so bad in my stomach that it almost cut my breath off entirely. My heart would beat fast, and sometimes it would skip and nearly scare me to death. I had splitting headaches which almost drove me frantic. I had such pains in my back that I had to be careful about stooping over, and I was never free from a dull backache. This was caused from my kidneys, I suppose, for they were out of order. I finally got terribly nervous, and my nights were nothing but torment and misery for me. I could find no medicine or anything that would do me any good, and all the time I was falling off in weight, and was getting so much weaker that I had about given up in despair."

"Finally my daughter suggested that I try Tanlac. I decided to give it a trial and got a bottle. Well, sir, I've taken nine bottles now, and it's wonderful what a great change has come over me. Why, my appetite is actually better than it has been in twenty years, and what is more I can go to the table and eat as big a meal as I ever could in my life. And after I eat, my stomach doesn't trouble me the least bit, and gas has already stopped forming. My kidneys are in fine condition and I never have that dull backache any more. My nervousness and restlessness have left me, and many people remark how well I look. I go to bed now and sleep fine every night. It's nothing short of remarkable how this Tanlac has helped me after my troubles had stood so long. I would not take anything in the world for the good this medicine has done me, and no matter how much I say I will never be able to praise Tanlac enough."

Tanlac is sold in Jacksonville by Coover & Shreve; in Merced by Mr. R. B. Field; in Murrayville by M. E. Gilbert; in Waverly by the Wyle Drug Co.; in Woodstock by the Hoy Pharmacy; and in Chapin by Jno. Onken & Bro.—Adv.

**To the Voters of Morgan County**

Charles Magill has been County Commissioner three years, and he believes the people of the county want him to be County Commissioner for another term. He is justified in his belief by the fact that the recent primary election he carried many precincts by a pleasing majority.

Mr. Magill was elected three years ago as the minority member of the Board and continued as such two years. One of the Commissioners died and weeks later the vacancy was filled at a special election.

At the regular election, a man was chosen who since been ill a great deal of the time and who is under a doctor's care in Chicago, and at the same time a new county clerk was elected. Due to the election of the two new commissioners in four months' time Mr. Magill was left with grave responsibilities on his shoulders.

Despite these adverse circumstances, Magill continued his course of doing the best possible for the taxpayers of the county. That his work in the office of better highways, improvement in road work and oiling is appreciated is shown by the hands primary vote he received at the recent election. His work in other directions meets approval is shown by the comments of citizens who have interest themselves in county affairs in general.

Mr. Magill comes before the people in a spirit of desire to serve and to serve well. He stands upon good record he has made while working under difficulties and believes that he can improve it vastly permitted to work under conditions that are favorable. He merely asks for just treatment at the hands of the people. If he has earned a second term, which he feels he has, he will gladly serve the public again and he believes that he should be re-elected for the reason that he is the only candidate who is experienced in the duties required in this important office.

He makes no plea other than that of duty well performed, and feels that good services should be rewarded by those in whose behalf it has been given.

Give Magill fair consideration. Regard the conditions under which he has striven and has done his best for the taxpayers, and base judgment regarding his fitness upon that. That is all he asks—fair consideration.

Mr. Magill is too well known to need introduction. He has farmed all his life time in Morgan county. He is earnest and sincere in his desire to serve and to serve well.

**Will Nuxated Iron Help Men Of Today Gain Strength And Endurance Like Athletes of Old**

Physician Says "Yes"—Cites Case of

**Jack Dempsey, Heavyweight Champion of the World**

**SUPERMAN OF THE AGE**

Who Used Nuxated Iron as a Part of the Training Which Gave Him Such Marvellous Physical Development that He Was Able to Whip The Mighty Jess Willard—

To every man who lacks physical strength and energy there comes a longing at times to possess the power and endurance of an athlete, yet they go on struggling through life weak, nervous and run-down, when in reality their trouble may be nothing more than lack of sufficient iron in the blood.

Had they not kept their blood rich in iron the athletes of old might never have achieved such fame, is the opinion of Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, who believes that modern men who are fagged out by worry, work and other strains might readily build up their strength, energy and endurance by increasing the supply of iron in their blood.

As an example of the superb physical condition that may be obtained by a man of today who follows proper methods of living and who keeps his blood filled with strength-giving iron, Dr. Sullivan cites the case of Jack Dempsey, who used Nuxated Iron as a part of the training which gave him such marvellous development that he is now recognized as the Superman of the Age and perhaps the superior of any famous athlete of ancient times. In connection with his use of Nuxated Iron, Dempsey says: "Nuxated Iron put added power behind my punch and helped me to accomplish what I did."

From the results in my own case, where the possession of super endurance is necessary, I feel that I am in a position to recommend Nuxated Iron to every man and woman who wants to build greater strength, energy and power."

In commenting on the foregoing statement made by Dempsey, Dr. Sullivan says: "It should occur to every thinking person that if a man as physically fit as Dempsey should consider it advisable to take Nuxated Iron, how much more important it is for the average man or woman to see that there is a good supply of iron in the blood. In my opinion, the men of today who want to be strong, healthy and successful must either become athletes or take the athletes of old or else supply the deficiency in their blood by taking three times per day, after meals, for two weeks, the famous Nuxated Iron."

I have used Nuxated Iron in my practice and I know of nothing more effective for building greater strength, energy and power."

The coarse foods and rigorous methods of living practised in ancient times made rich red blood for the men whose feats of strength and endurance won fame for them through the ages. Today modern methods of cookery extract much of the natural iron from our blood and this, coupled with the more rapid pace at which we live, make it necessary in our present age to supply the iron deficiency thus caused by taking some form of organic iron—Nuxated Iron—so as to build up a race of sturdy, red-blooded men.

has won the day simply because he knew the secret of great strength and endurance, which comes from having plenty of iron in the blood. While many another has gone down to defeat, defeat simply for lack of iron. Nuxated Iron, which is not a secret remedy, but a well-known and reliable product, is the only iron preparation that is easily assimilated and does not irritate the stomach. It is the only iron preparation that is safe for every man, woman and child. It is the only iron preparation that is sold in this city by all good druggists.

FEATURES GAME  
TH 70-YARD RUN

Touchdown After Final in Fourth Period—Counted Because Play started Before Whistle Final Score 57 to 0.

Quarter back of the Jacksonville school team featured with Carrollton on Saturday afternoon by away for a seventy yard touchdown at the close of the period.

After the play started the whistle blew, ending the over the score counted the ball was in play by the Jacksonville school team. The whistle sounded. Hunt went splendid judgment in on toward the goal, shak-two tacklers in the last yards. The final score 57 to 0.

Carrollton started the game Molohon, but despite that outclassed Carrollton at the end of the game. Had the Jacksonville school team dry it is probable Jacksonville would have made twice as many touchdowns.

It was difficult to pick out the Jacksonville team as men played a wonderful game on offense and defense. The work of Hunt was an outstanding feature, the Green, Molohon and Lucas also a great game on offense. No high school player has been more effective tackling than displayed by Cockin.

Smith also was in the up to his neck and easily held his opponent at center. Also got into the scoring by pulling down a forward and making a touchdown.

Reid and Cobb at guard and Arnold and Russell Arter at tackles also held like a stone wall against Carrollton's attacks, while Randall and Lucas were there in breaking up end runs.

Mac Carmody, Short and Johnson did the best playing for Carrollton. Johnson was the only man able to make much on the offense while Mac Carmody played a good game on defense. Toward the latter part of the game Carrollton worked several forward passes.

**First Period.**

Jacksonville kicked off to Carrollton and soon forced her to kick. Jacksonville marched down the field despite a ten yard penalty and was soon within striking distance, Hunt going thru the line for a touchdown. The goal was missed. Score, Jacksonville 6; Carrollton 0.

Jacksonville again kicked off and held Carrollton for downs. Carrollton also held and took the ball. Carrollton could not gain and kicked and Green carried the ball back 30 yards. Jacksonville pounced the line steadily, Green going over for a touchdown and kicking goal. Score, Jacksonville 13; Carrollton 0. The period ended with the ball in Carrollton's possession.

**Second Period.**

Molohon replaced A. Arter at full back. Carrollton could not gain and kicked. Jacksonville was penalized for holding and was forced to kick. The ball passed over several times on downs. Finally Jacksonville got the ball and by end runs and line plays carried the ball down the field. Molohon going over for a touchdown and kicking goal. Score Jacksonville 20; Carrollton 0.

Jacksonville kicked back of the goal line and Carrollton tried to

carry the ball out and Lucas downed the player for a safety. Score, Jacksonville 22; Carrollton 0. The half ended with the ball in Carrollton's possession.

**Third Period.**

Jacksonville tried an onside kick and recovered the ball. Hunt made 25 yards around the end. Green passed to Smith over the goal line for a touchdown. Molohon kicked goal. Score, Jacksonville 29; Carrollton 0.

Jacksonville again kicked to Carrollton; the visitors could not gain and kicked. Molohon placed; kicked from the 30 yard line. Score, Jacksonville 32; Carrollton 0.

Jacksonville again got away with the onside kick. Jacksonville marched straight down the field with the backfield men alternating in carrying the ball. Cockin going over for a touchdown and Molohon kicking goal. Score, Jacksonville 39; Carrollton 0.

Jacksonville kicked to Carrollton. The visitors worked a forward pass and then made first down on a line play. Carrollton fumbled and Jacksonville recovered the ball just as the period ended.

**Fourth Period.**

Jacksonville immediately punted and it was Carrollton's ball. Carrollton kicked and it was Jacksonville's ball. Green passed to Hunt for a 30 yard gain. Jacksonville then tackled the line and ends and sent Green over for a touchdown. Green failed at goal. Score, Jacksonville 45; Carrollton 0.

Carrollton again received and could not gain and kicked. Jacksonville made two first downs and was penalized five yards. Green then passed to Lucas who carried the ball over for a touchdown. Score, Jacksonville 51; Carrollton 0.

Carrollton received the kick and then made fifteen yards on a forward pass. Carrollton tried a drop kick which failed. Hunt then broke away for a 70 yard run for a touchdown. The goal was missed and the game ended with the score Jacksonville 57; Carrollton 0. The line-up:

Jacksonville: Randall, Close; R. Arter, It Praugh; Cobb, Ig Booth; Smith, c Evans; Reid, rg Witschek; Arnold, rt Scroggin; Lucas, re G. Carmody; Hunt, qb Mac Carmody; Cockin, lh Curtis; Green, rh Johnson; A. Arter, fb Short.

Referee—Hohm, University of Illinois. Umpire—T. Whisler, Illinois College. Headlinesman, Crouch, Illinois College. Time of periods 15 minutes.

BLUFFS MISSIONARY SOCIETY MET FRIDAY

Mrs. E. D. Beird Was Hostess to Members of Missionary Society Friday Afternoon — Farmers Institute Nov. 6 and 7—Other Items.

Bluffs, Nov. 1.—The Missionary society of Bluffs held their first regular meeting at the home of the president, Mrs. E. D. Beird Friday afternoon. Much enthusiasm prevailed throughout the entire meeting, and the society proposed to raise \$100 within the year for the purpose of fostering missionary and educational work in Japan. The following members have enrolled: Mrs. E. D. Beird,

Mrs. E. L. Kendall, Mrs. E. J. Rees, Misses Paye Rees, LaVerne Ward, Mrs. G. W. Rees, Mrs. John Atkins, Mrs. J. E. Likes, Mrs. Anna Oakes, Mrs. S. M. Carver, Mrs. Harry Bailey, Mrs. J. C. Lewis, Mrs. C. A. Murray, Mrs. F. R. Parker, Mrs. Wisdom, Mrs. Ed Mundy, Mrs. Tewksbury and Mrs. Watson. The next regular meeting will be held at the M. P. church at 3 o'clock Wednesday afternoon, Nov. 26, and each member is requested to be present and bring others to this meeting. The Farmers Institute will be held in Bluffs Thursday and Friday, Nov. 6th and 7th. A splendid program has been arranged and will be published later. Good speakers for both days have been secured and a big time is anticipated.

Mr. and Mrs. Lowell Willis

spent Sunday with Zeb Parker and family in Oxville. Bluffs was well represented at the "home coming" in Exeter Thursday night. A very pleasing program was rendered after which Horace Baucroft of Jacksonville delivered the evening address to a large and appreciative audience. The proceeds from the evening supper will be donated to the Red Cross. Gross receipts were \$130. Proceeds from the sale of badges were \$20. This amount will be donated to the Salvation Army.

Roy Beird left for Chicago where he will learn to operate a linotype and upon his return home he will operate the new machine which will be installed in the Times office.

Paul Green and wife left for a visit with relatives and friends in Kansas City, Kansas, and also Slater, Mo.

Saturday of last week the cottage home of the late Harry Oakes was sold at a public sale in front of the Bank of Bluffs. Same was purchased by Clarence M. Oakes for \$3,050.

Mrs. Edna Oakes of Eldred attended the administrator's sale of the Harry Oakes property in town Saturday.

Miss Lottie Finney will hold a public sale at her home two miles south of Bluffs Tuesday Nov. 11th at which time she will dispose of her household goods, milk cows, horses, farm implements etc. H. D. Killpatrick, auctioneer, F. W. Kory, clerk.

C. F. Morris was up to the city from Bluffs yesterday.

ILLINOIS COMES BACK AND DEFEATS CHICAGO

Maroons' Championship Hopes Go Glimmering Before Zuppke's Eleven By Score of 10 to 0.

Urbana, Ill., Nov. 1.—Displaying a startling reversal of form and using typical Zuppke stratagem Illinois capsized Chicago's championship hopes on Illinois field this afternoon winning 10 to 0, before eighteen thousands persons, the largest crowd that ever attended an athletic contest here. Governor Frank O. Lowden, George Ade and other notables joined the Homecoming throng to watch the annual scrap between the two old enemies.

Illinois outplayed the Maroons from beginning to end, there being no time when they became really dangerous. The only time when they were within even striking distance of a touchdown was in the third period when the ball was carried to the Illinois 18-yard line but here the Illinois braced and took the ball on downs.

Ralph Fletcher, who replaced Sternaman in the Illinois line-up when the Springfield star was injured, proved a nemesis for the Stag men. He made all of the Illinois points, kicking a place kick in the second period and going over for a touchdown in the third period.

Chicago's fast backfield proved a disappointment to the 1,200 Maroon rooters who accompanied the team for there was no time when they were able to gain consistently. Graham, Maroon quarterback was especially unfortunate as there was no time when he was able to get loose from the agile Illinois.

The whistle announcing the end of the game probably saved the Maroons another touchdown for Illinois had carried the ball to their 3-yard line when the game ended.

**Tobacco Hardens the Arteries, Overtaxes the Heart and Shortens Life**

**Says Dr. Connor, Who Suggests a Simple Test to Find if You're Hurting Your Heart. Can You Stand It?**

New York—Dr. Connor, formerly of Johns Hopkins hospital, says: Hundreds of thousands of men who smoke and chew and who believe themselves healthy are suffering from progressive organic ailments. They would never have been afflicted had it not been for the use of tobacco and most of them would soon get well if they would only stop the use of tobacco.

The best known habit forming principal of tobacco is nicotine, but the most deadly and demoralizing is furfural. Both are deadly poisons, which, when absorbed by the system slowly, but surely, affect the nerves, membranes, tissues, vital organs and vitals of the body.

The harmful effect of tobacco varies and depends on circumstances and the individual. In some it causes general debility, others catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of will power, cowardice and fear, mental confusion, etc. In others it causes heart disease, bronchial troubles, hardening of the arteries, palpitation of the heart, tuberculosis, blindness, cancer and the common affliction known as tobacco heart.

serious catarrhal trouble. Next, in the morning, before taking your usual smoke, walk up three flights of stairs at a regular pace, then stop. If you use tobacco in any form you will easily detect its harmful effects by making the following simple tests: Read aloud a full page from a book. If your voice becomes muffled, hoarse and indistinct and you must frequently clear your throat, the chances are that your throat is affected by catarrh and it may be the beginning of a trouble. If you are out of breath, your heart beat is forced, trembles irregularly, you may be the victim of functional or organic heart trouble. You feel that you must smoke or you feel that your nerves, you are a to the tobacco habit and are poisoning yourself with the insidious deadly drugs, nicotine and furfural. In either case, you have just two alternatives—keep on with your self poisoning process regardless of the results, or suffer the consequences and rid yourself of the habit and the dangers.

You can overcome the craving for the tobacco habit in a very short time by using the following simple formula: Go to any drug store and ask for Nicotol. Take one tablet after each meal and in a comparatively short time you will have no desire for tobacco. The craving will be left you. With the nicotine poison out of your system your general health will quickly improve.

Note—When asked about Nicotol tablets, one of our leading druggists said: "It is truly a wonderful remedy for the tobacco habit; away at anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer, and we will not permit the use of our name on the remedy possessed unusual merit. Nicotol tablets are sold in this under an iron-clad money-back guarantee by all up-to-date druggists, including Armstrong's Drug Stores, Adv.

## DEMAND FOR CORN SENDS PRICES UP

CHICAGO, Nov. 1.—Demand for corn received new impetus today from reports that \$115,000,000 of a British loan would be devoted to the purchase of cotton and grain. The market closed buoyant, 2 1/4c to 3 1/2c net higher, with December \$1.31 1/4 to \$1.31 3/4 and May \$1.26 1/2 to \$1.26 3/4. Oats finished 1/2c to 1 1/4c and provisions varying from 10c decline to 15c advance.

Upward swings in the price of corn began at the opening, and gained in energy thruout the day. A new upturn in the value of hogs did much to give the bulls an initial advantage and so too did big shipments of packing house products. Gossip that it would take at least six or eight weeks to bring transportation arrangements back to normal for the movement of corn led meanwhile in increased anxiety about obtaining sufficient supplies to fill December contracts. Heavy covering by speculation shorts who had opposed an advance was the outstanding feature in the last part of the session when most heed was being paid to effects the British loan might have on grain.

Oats went higher with corn. Receipts were small and foreign markets advancing and hogs lifted provisions. Later the sales to realize profits caused some setbacks.

## STOCKS UNSTEADY AFTER STRONG OPENING

NEW YORK, Nov. 1.—Realizing for profits and pressure from shorts accounted for the uneven tone of today's strike market session after a firm to strong opening.

The selling was ascribed in part to possible adverse eventualities over the week-end. Steels and equipments monopolized the movement. Republic and Lackawanna scoring new records. Marked strength was also shown by Sloss-Sheffield, Gulf States and Superior Steels.

Pressed Steel Car, Railway Steel Springs, Pullman and Chicago Pneumatic Tool were conspicuous among equipments such recent favorites as American and Baldwin Locomotives reflecting pressure.

Heaviness was shown by motors and their specialties, oils and tobaccos also developing reactionary tendencies with shipping.

Sales amounted to 750,000 shares.

Liberty Bonds eased slightly and internationals were steady. Total sales (par value) aggregated \$7,675,000.

## PLEASANT GROVE

County Agent Kendall gave a demonstration on culling poultry at the home of Percy Sooy Saturday afternoon. On account of the inclement weather there were not many present but those that were received many good ideas about their poultry.

There was a Halloween social at the Pleasant Grove school Thursday evening. The guests were masked and there was much fun in guessing the identity of those present. The pupils of the school, under the capable training of the teacher, Miss Grace Jennings, gave a good entertainment of songs, recitations and dialogues, contests, fortune telling and games were enjoyed. Refreshments of doughnuts, apples and cider were served.

Ernest Long is the proud owner of a new Chevrolet car. John Gougherty is building a new hen house and implement shed for Wm. Clayton. Leona Spencer is spending the week with Mr. and Mrs. Lorton Tucker.

S. S. Sheppard is still seriously ill. Miss Leta Clayton spent Sunday night with Miss Mildred Mayberry.

Ernest Henry and wife, W. S. Fanning and family and E. M. Jennings and family attended the funeral of their aunt, Mrs. Slaughter at Murrayville last Sunday.

Quite a number from here attended the Halloween socials at Murrayville Friday evening. Ernest Henry enjoyed a visit from his mother this week.

George Weeks and Charles Edwards rode to the city from Princeton yesterday.

Perhaps those Phils might have a hard time convincing a judge that they were singing.

If Mr. Washington, the father of this country, could come back now we believe he would be rather ashamed of some of his children.

It is said that the strike of the coal miners is due to a fight in the union for a soft job. Well, mining soft coal might be considered a soft job by those who have never mined any.

A Rome newspaper says President Wilson sowed discord. We don't know whether it was Mr. Wilson, but somebody has sowed a lot of it in this country in recent months.

The Springfield high football team seems to be doing almost as well this year as Connie Mack's Athletics did in the American league pennant race.

In spite of all the dry laws enacted by congress older continues to develop a kick that would do credit to a mule.

The Government is making preparations to carry on fight against liquor and high prices says a dispatch. Does that mean they are going to prosecute the bootlegging protheers for selling liquor, or for charging \$10 a quart for it.

Each side in the controversy between the coal operators and miners is seeking to throw the blame for failure to arrive at an agreement upon the other. But the public will get it in the neck.

The prompt action of the senate and house did not seem to give President Wilson a relapse.

Speaking of relapses, Indian Summer suffered a severe relapse the first of last week.

A good many citizens will not know how to place their foot on the brass rail if the saloons do open up again.

Profiteers are due for heavy pounding by U. S. says dispatch. Seems like we have heard that statement for the past two years, but the profiteering goes merrily on.

The president says he will lift the war time prohibition ban as soon as the peace treaty is signed.

At the present rate of progress by the senate that will be about 1940.

Those who hoped last Monday that the ardidity of the United States might be broken for a time were greatly shocked when congress promptly passed the prohibition bill over President Wilson's veto.

Senator Sherman says he has never prayed in his life. However, we cannot see that it is anything to brag about.

Woman's clubs discuss problem of domestic help in effort to save homes, says Chicago Tribune. Why not try doing their own work as the women did in the early days? It would solve the problem and also make better homes.

It was bad enough to be without liquor. But to be without coal too.

'Tis a hard life.

## GHOSTS PAY VISIT TO LITERBERRY

Half a Dozen "Real Ghosts" Visited Literberry Residents Friday Night.

Literberry, Nov. 1.—On Friday evening at 8 o'clock half a dozen real ghosts came to see us. We notice as time goes on, that ghosts change in their ways as well as do people in life. When we were young the ghosts were very shy, and were never seen except on dark nights, and were usually found around about the cemetery or in some haunted house; but the ghost that came to our office, rang

the door bell, and walked into the dining room, right under the full glare of the acetylene light. They were a fine looking lot of ghosts as ghosts go, but, without any stirs whatever, we think they would have looked better in the dark than in a full light; but they were only ghosts and did not care for looks.

Ghosts were once flesh and blood, and lived somewhere, and having died, were given the privilege of visiting the earth every "All Hallowe'en Night." Some ghosts are not good at counting, or lived when almanacs were not read, for we often hear of them playing mean tricks and doing much mischief; but these ghosts were not of that set, for they were well behaved, and very solemn.

Ghosts never speak and so we puzzled our brain to place them where they belonged while in life, and decided that the smallest one must have been a colored gentleman from Cuba, perhaps he was Darwin's missing link. This Cuban boy had for his mate a very pretty English girl full of laugh and fun.

There was a Mexican fellow. The less one has to do with him the better. He had for his companion a pretty Indian girl of the Sho-shone tribe, a granddaughter of old Chief Medicine Hat.

The Sailor boy seemed to be the captain of the company. He pushed back his cap, whistled a little, foreign air, put a cigarette in his mouth, and we knew at once that he was from the South Seas, and

"one to beware of." This South Sea Islander had for his mate "The Pale Lady From Paris," who was formerly from Italy. She was very beautiful, terribly dignified, and never smiled. No doubt but what she was the daughter of some great Italian family.

We may have these ghosts all mixed up, but we believe we are correct. We invite them to come again, when we are better prepared to entertain them with ghostly refreshments.

### LETTER FROM CHINA

Dear Friends of Shaowu:—

"I tell you we've got to bury you alive." "No you won't either," stoutly rejoins the second school boy, just come to the Han Mei Academy from a home where he has been studying with a tutor. (He is one of thirty-two new boys who have swelled the numbers to just under a hundred.) "Yes we will," replies the first boy, proud in the security of one year's schooling safely behind him. "If we bury you up to your neck for a half hour, nothing that can happen to you after that as long as you are in the school can hurt you." So the contest goes on, until the next day it eventuates in a real relay race on the school playground, when the foreign principal has to take a hand in the discipline and is surprised to find even this faint echo of the hazing of his freshman and sophomore years at college. The fact is that Yung Chiva is not quite the tame follower of tradition that he was a few years ago. A crowd of nearly a hundred youngsters gathered from more than thirty places far and wide over our great parish presents not only a stimulating opportunity, but every now and then problems enough to keep one from settling on his lees. We are woefully overcrowded and are just now in the process of securing subscriptions and material for another small dormitory. Next we must get up some sort of open air, roofed gymnasium for these youngsters to work off properly their animal spirits and get better physical control of themselves. The almost constant rain of the spring season rather dampens the enthusiasm for baseball, although that still fills up the two diamonds as soon as the water has drained off. Some of you may wish to send some specially raised gift money for one of these two purposes, or even for athletic material without waiting for the building.

In the primary school behind the church we have over 50 little tads, in the four grades. Nine of our oldest boys from the academy are teaching three or six periods each a week. With better supervision it would be good normal training for them. All over our field are vigorous little primary schools more than we can possibly subsidize with even modest gifts from the mission treasury. The most any one school gets is \$40 Mex. a year and some only \$10; yet we could profitably spend over \$500 on these schools if we had the money.

You have always heard that John Chinaman practically worships letters and learning and so are not surprised at this enthusiasm for education. Here in Shaowu he is also becoming enthusiastic about cows and cattle raising, thanks to Dr. Bliss' patience and efforts in establishing a model dairy. His Swiss goats that he brought with him from America in the fall of 1917 have multiplied to fifteen, not to mention the scores of mixed breeds far and wide over the field. The milk goats give a quantity of milk perfectly marvellous to the Chinese, who have never thought of raising goats for anything but the meat.

Dr. Bliss considers that he has discovered the most effective method of inoculating cattle against rinderpest, or maybe getting a strain of cattle immune to its dread ravages, would be the more accurate way of announcing the discovery. For discovery it truly seems to be. Other experimenters along these lines, they are not many—have neglected to note that calves of immune mothers are immune during the period of taking the mother's milk. The mother seems to supply antibodies sufficient to stave off the worst ravages of the pest. During this period he carefully and under the right conditions injects enough germs to give the calf a slight attack of the disease. This seems to develop more antibodies, or to orient them so permanently that the immunity does not pass when the calf leaves the mother. For cattle that have not been thus made immune in the start, there seems no way but the costly and troublesome one of inoculating an animal under the right conditions with both the disease and with the anti-rum, the latter being difficult to secure in sufficient and pure quantities. If the doctor's experiment proves a real discovery, it ought to make Shaowu known to a good many people other than missionary enthusiasts.

Politically our province is not very happy, especially where the irreconcilable forces of the north and the south have come in conflict. The levies for money and supplies that both sides alternately impose would be hard to believe except that we have come somewhat recently to recognize it as a Germanic method. Despite the anxiety and fear, however, the general effect is to make more and more people look toward the church and look more earnestly than ever before.

Mr. Kellogg has just been away on a seventeen day trip into the southern territory where we have nine churches and several "prayer places". Quiet conferences with Christians, talks with others who were eager to learn more about Christians holding services in the homes or shops of Christians crowded the days. They were rewarding days, resulting in a number of newly enrolled "learn-

ers" who may soon be the nuclei for little churches in their villages. Do you wonder that those of us who can get away to do a little touring feel so enthusiastic about it?

Cordially and faithfully yours,  
CHARLES L. STORRS.
